Nuts NEWS

EXCLUSIVE!

Neknomination sensation Rebecca Dagley!

The viral video lovely recreates her boozy supermarket stripping stunt especially for *Nuts*!

➔ **PICTURE THE** scene – you're pushing your trolley through Fosse Park Asda in Leicester, picking out a jacket potato for your dinner. Then up strolls 19-year-old Rebecca Dagley in a trenchcoat. The coat quickly gets binned to reveal a rather smashing set of undies and a can of Stella, which Rebecca swiftly downs, before challenging her chums and scarpering away on her very high heels.

This "Neknomination" video – film yourself downing booze in an unusual way before nominating chums to do similar within 24 hours – went viral, millions watched and Rebecca has become a surprise media star. Cue a call from *Nuts*, and a high-quality photo shoot...

CHUGGING IN UNDIES!

7 Feb: Rebecca Dagley stripped and downed a beer in a branch of Asda before Neknominating her mates.

“I love thrills and things like that!”

Turn over to see more of Rebecca!

“I’ve wanted to be in *Nuts* for years!”

Hi Rebecca! You've had some week... I've had a mental week. I uploaded the video literally within minutes of leaving Asda and my phone went crazy. The comments, the likes, the reposts – everyone was sharing it! I had people messaging me from Australia, China, New York...

Whose idea was this stunt?
Mine. I sat in my room and thought, "What can I do that's outrageous? Everyone's used to my behaviour, so I'm going to go somewhere public in my underwear!" I love thrills and things like that.

What was the reaction in the store as you filmed the video?
I had so much adrenaline, I couldn't really tell what was going on around me. I know there was a couple behind me. As I took my coat off, you see the man walk past, take a look and come back to look at me. And his wife was like, "What are you doing?" If you listen to the video you hear my friend Jade shout, "Security's coming!" I started to panic. I thought, "I can't get arrested or get into trouble for something like this! I can't be taken to the police station in my underwear!" I knew I had to get out of there.

Who took the video?
My friend Jade. I sent a selfie of me in the outfit, and she was like, "No! You aren't going to do that!" When we got to Asda, I was like, "Come on then, you ready?" I picked up the basket, she filmed me, and when I took my coat off, she was like, "Oh, my God! She's actually done it!"

Are the chums you Neknominated going to respond?
They tweeted: "White flag! Not doing it! Not going to beat that!"

And now you're in *Nuts*!
It's great! *Nuts* has been something that I've wanted to do for years. I still feel like I need to pinch myself. It feels too good to be true!

INTERVIEW: RORY BUCKERIDGE

Humpback flip!

Thirty-six-tonne mammal giggles like a girl at gravity

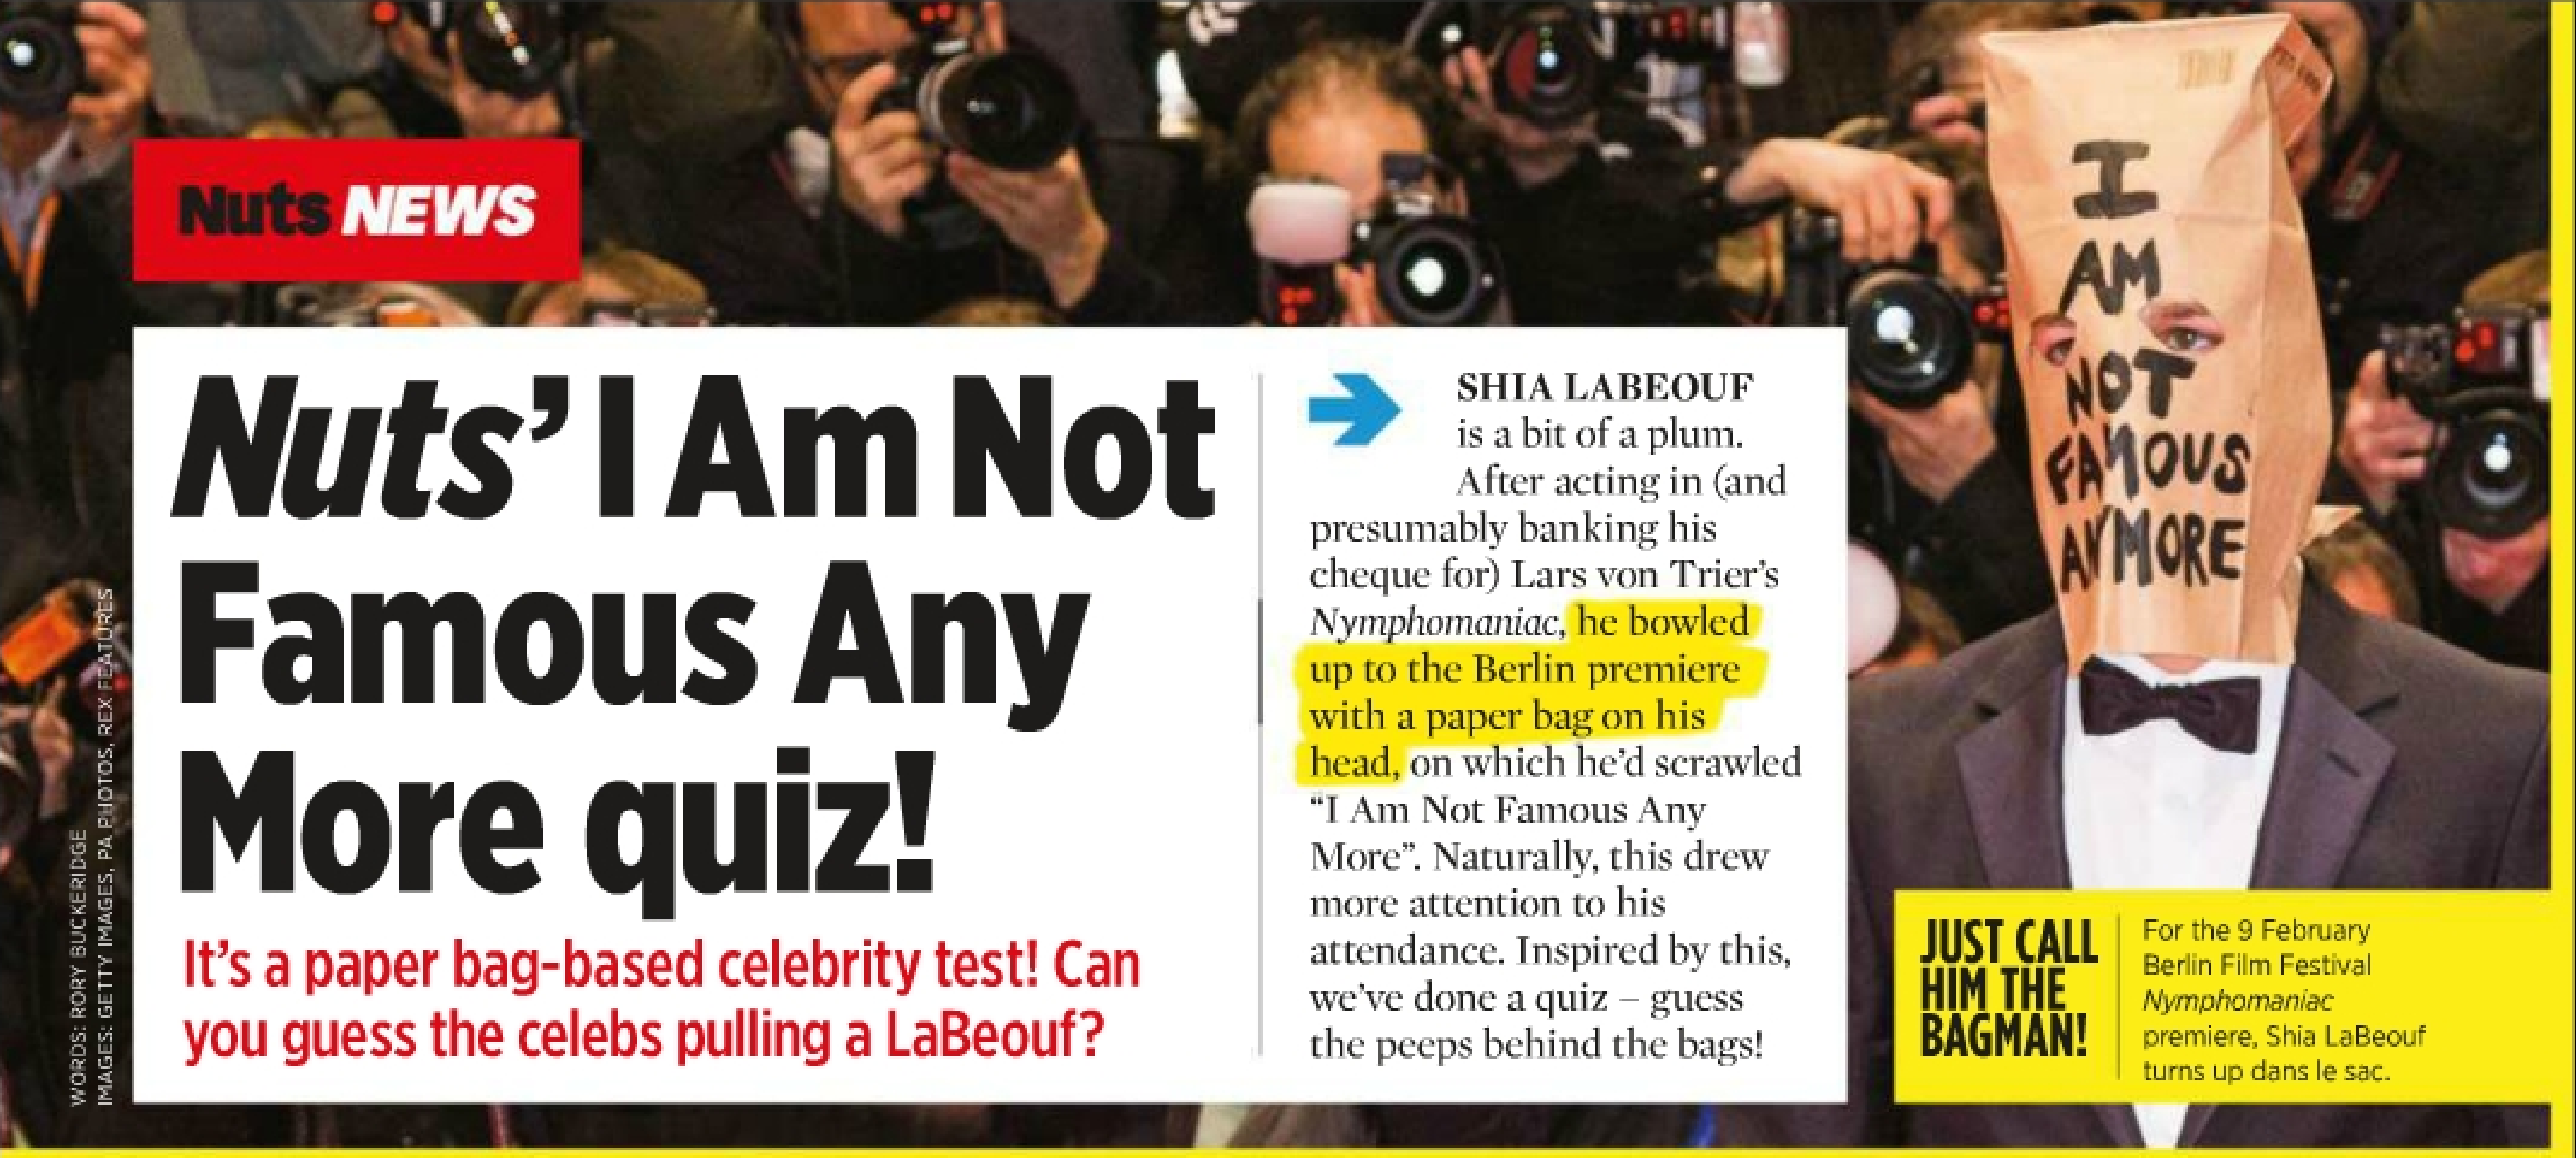
HUMPBACK WHALES are chuffing brilliant! When they're not filling their campervan-sized lungs with up to 9,000 litres of air and having a squizz around the ocean floor for an entire half of football, they're gleefully throwing their 36-tonne bodies out of the water in epically impressive breaches like this. If their singing wasn't so rubbish, they'd edge dogs into number two in *Nuts*' top ten animals!

WORDS: RORY BUCKERIDGE PHOTO: THOMAS PESCHAK

"I'd give it five minutes, lads"

Whale sex facts!

- The humpback male's penis can grow up to three metres in length.
- **Male humpbacks actively harass females for sex to the point that they'll try to hide underneath boats to escape the male's attention.**
- Humpback whale sex is a rough, tumble and quick. The male has no regard for a calf and will push it out of the way to get at the female.
- **The female humpback has a genital area that is usually completely surrounded by barnacles. Ouch!**



I AM NOT FAMOUS ANYMORE

Nuts' I Am Not Famous Any More quiz!

It's a paper bag-based celebrity test! Can you guess the celebs pulling a LaBeouf?

SHIA LABEOUF is a bit of a plum. After acting in (and presumably banking his cheque for) Lars von Trier's *Nymphomaniac*, he bowled up to the Berlin premiere with a paper bag on his head, on which he'd scrawled "I Am Not Famous Any More". Naturally, this drew more attention to his attendance. Inspired by this, we've done a quiz – guess the peeps behind the bags!

JUST CALL HIM THE BAGMAN! For the 9 February Berlin Film Festival *Nymphomaniac* premiere, Shia LaBeouf turns up dans le sac.

Ferrari's new California!

The Prancing Horse has steroided its drop top with two turbos and 50 per cent more torques!

- **More torque, faster to 62mph and yet less of a thirsty drinker, Ferrari's new California "T" is all about improvements below the bodyshell. But the bit you'll really notice is that this is the first Ferrari equipped with real turbocharged power since 1987's iconic F40. Hence the "T", you see?**
- So, for your £153,000 you'll receive a front-engined, drop-top head turner that wears a new Hollywood smile for a grille, and deeper-defined cheek dimples (air intakes) on either side.
- **In the name of feeding the twin turbos fresh air, the bonnet has now gained a pair of sculpted vents. Minor tweaks have been made to the side profile and, although the rear is still unmistakably a Cali, there's now a new jagged triple-toothed diffuser panel to aid stability when pushing towards the upper limits of its 196mph (3.0mph better than the outgoing Cali).**
- It's not easy to make a turbo car howl like a supercar, but a three-piece cast exhaust manifold and flat-plane crankshaft will

apparently wake the neighbours in that special way that a Ferrari should.

- **The RHT (horrid Ferrari speak for the retractable hard top roof) does its thing in 14 seconds to fully unveil a cabin that packs a 6.5in central display touchscreen infotainment system that's said to have been co-developed with Apple's design-obsessed nerds.**
- Beyond the trademark, splendidly supple leather, steering wheel-mounted hooligan switches and huge gearshift paddles, there's also a Turbo Performance Engineer display. In English, that's a gauge between the vent pods that displays a percentage figure of what turbo boost is available at any given time. Does anyone remember *Outrun*?
- **Screwing on those turbos means that the Cali is now packing 62bhp more than the old model, with a swell of 49 per cent extra torque over the previous car's 372lb-ft. All of that adds up to it being only 10bhp, 2.0mph and 0.2 secs (0-62) behind the mid-motor 458 Italia Spider – and it's a whopping 25 grand cheaper!**

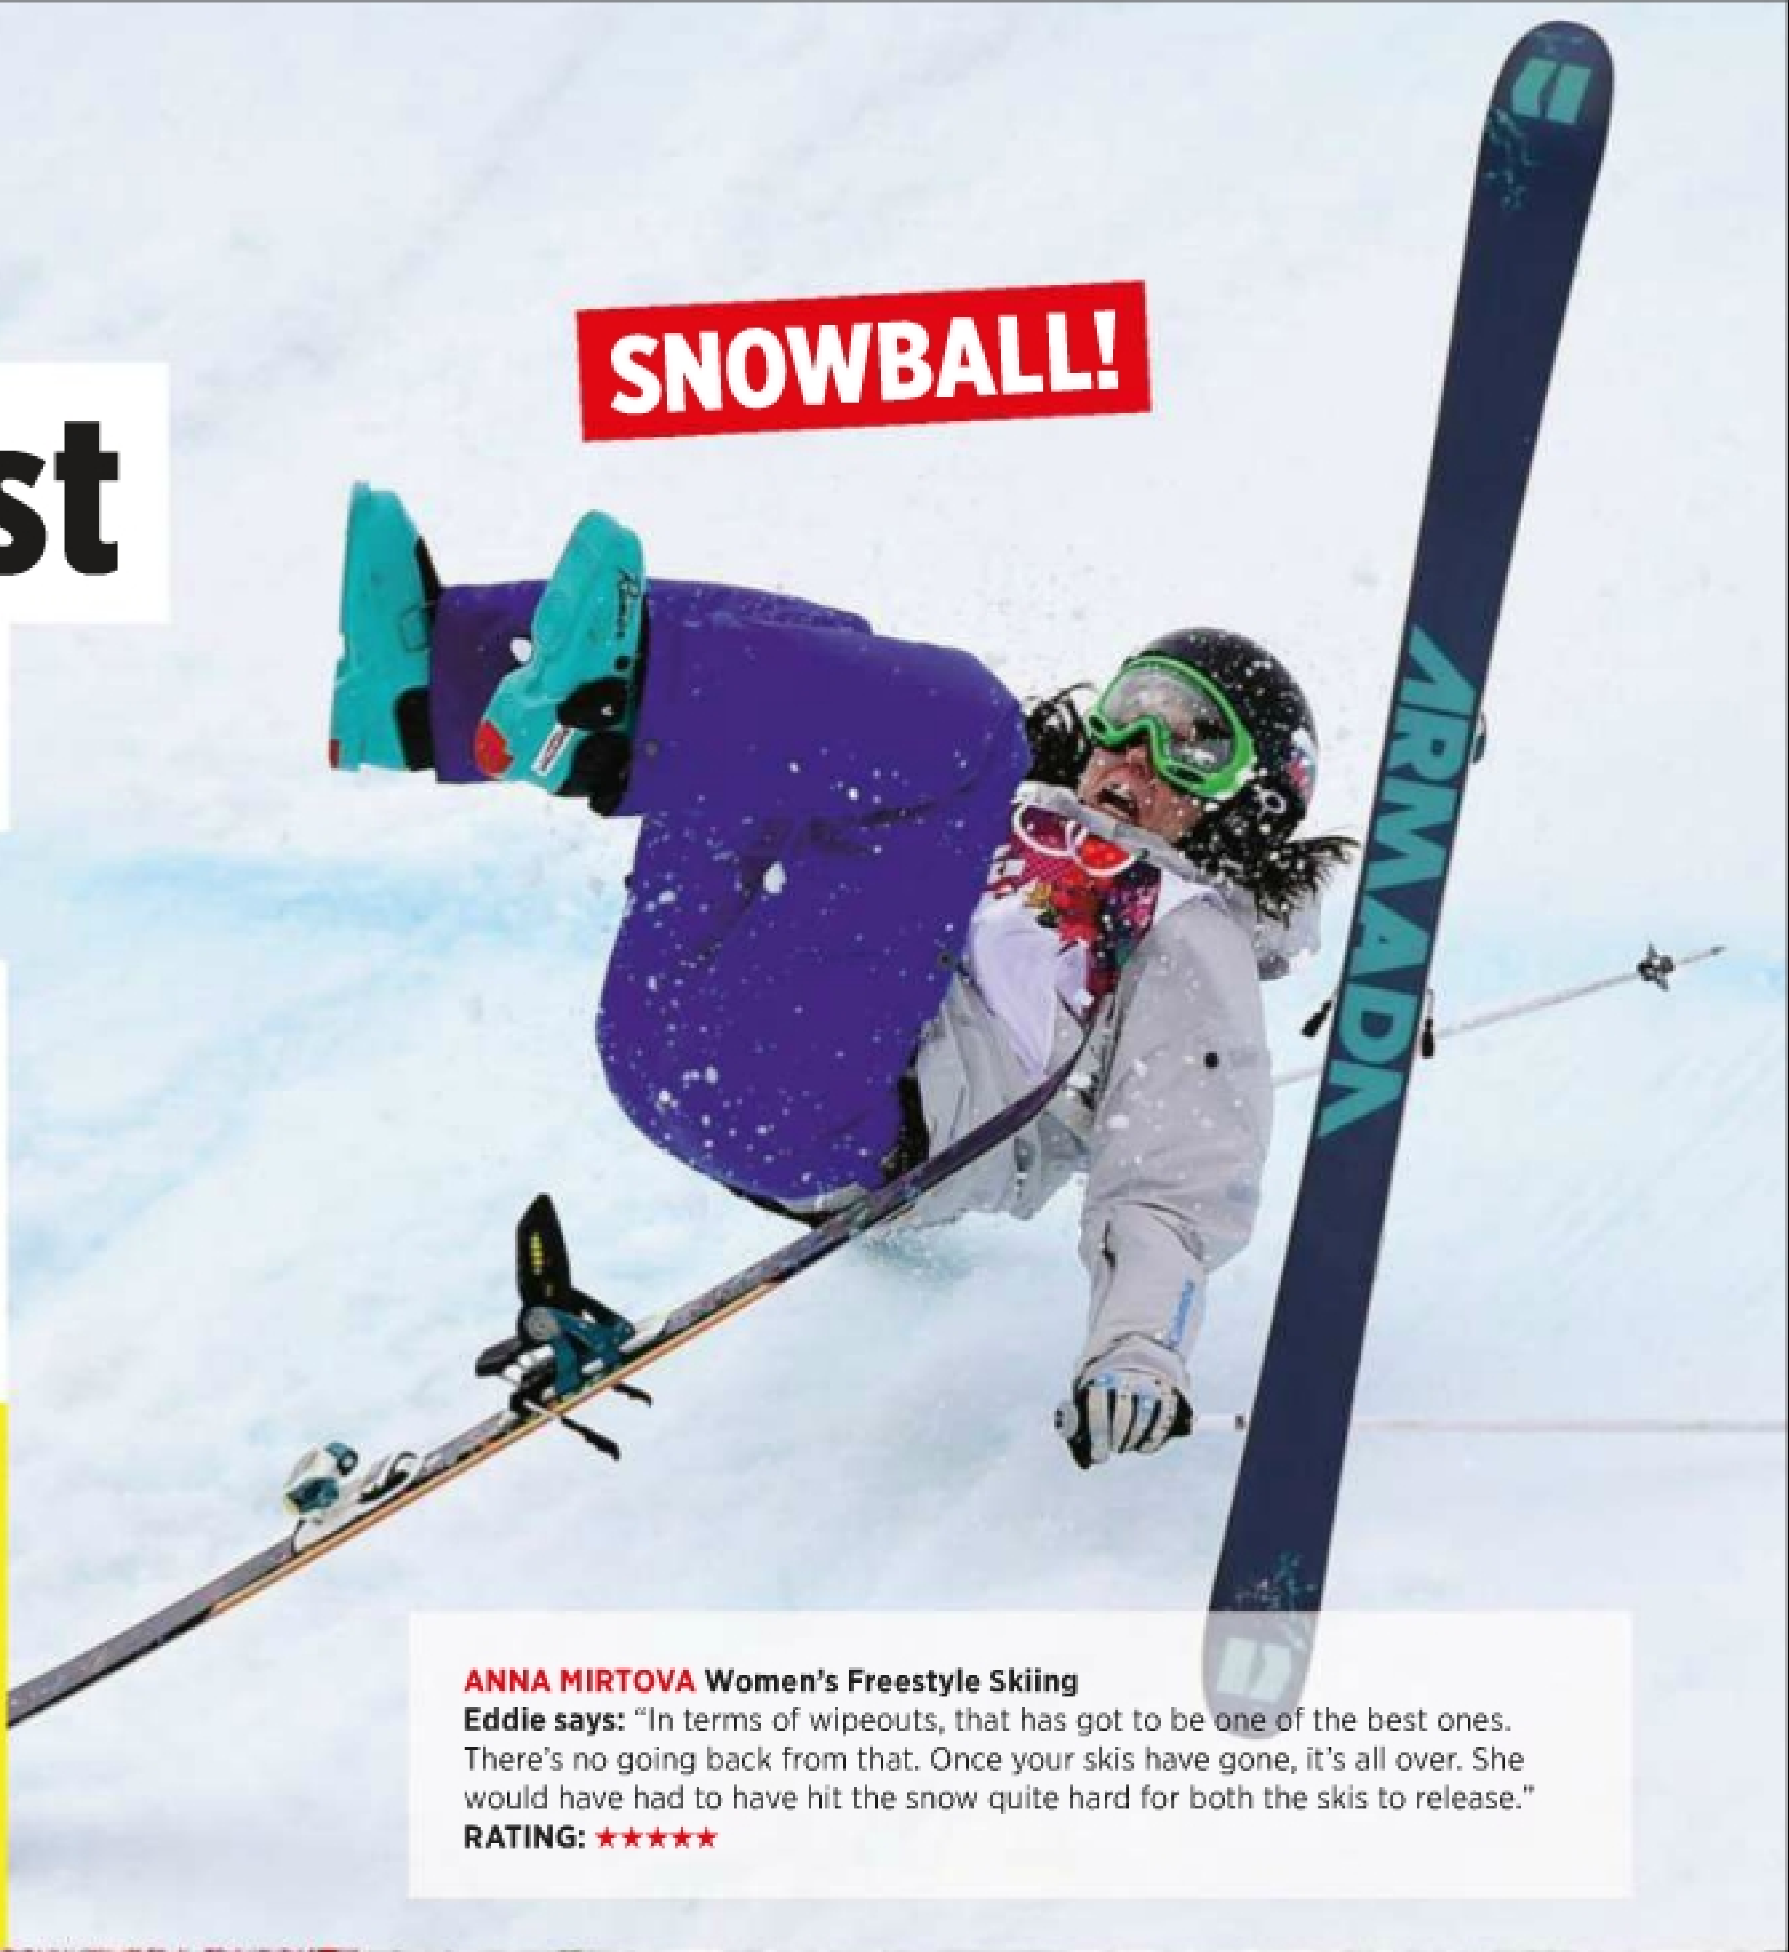
Sochi's best wipeouts!

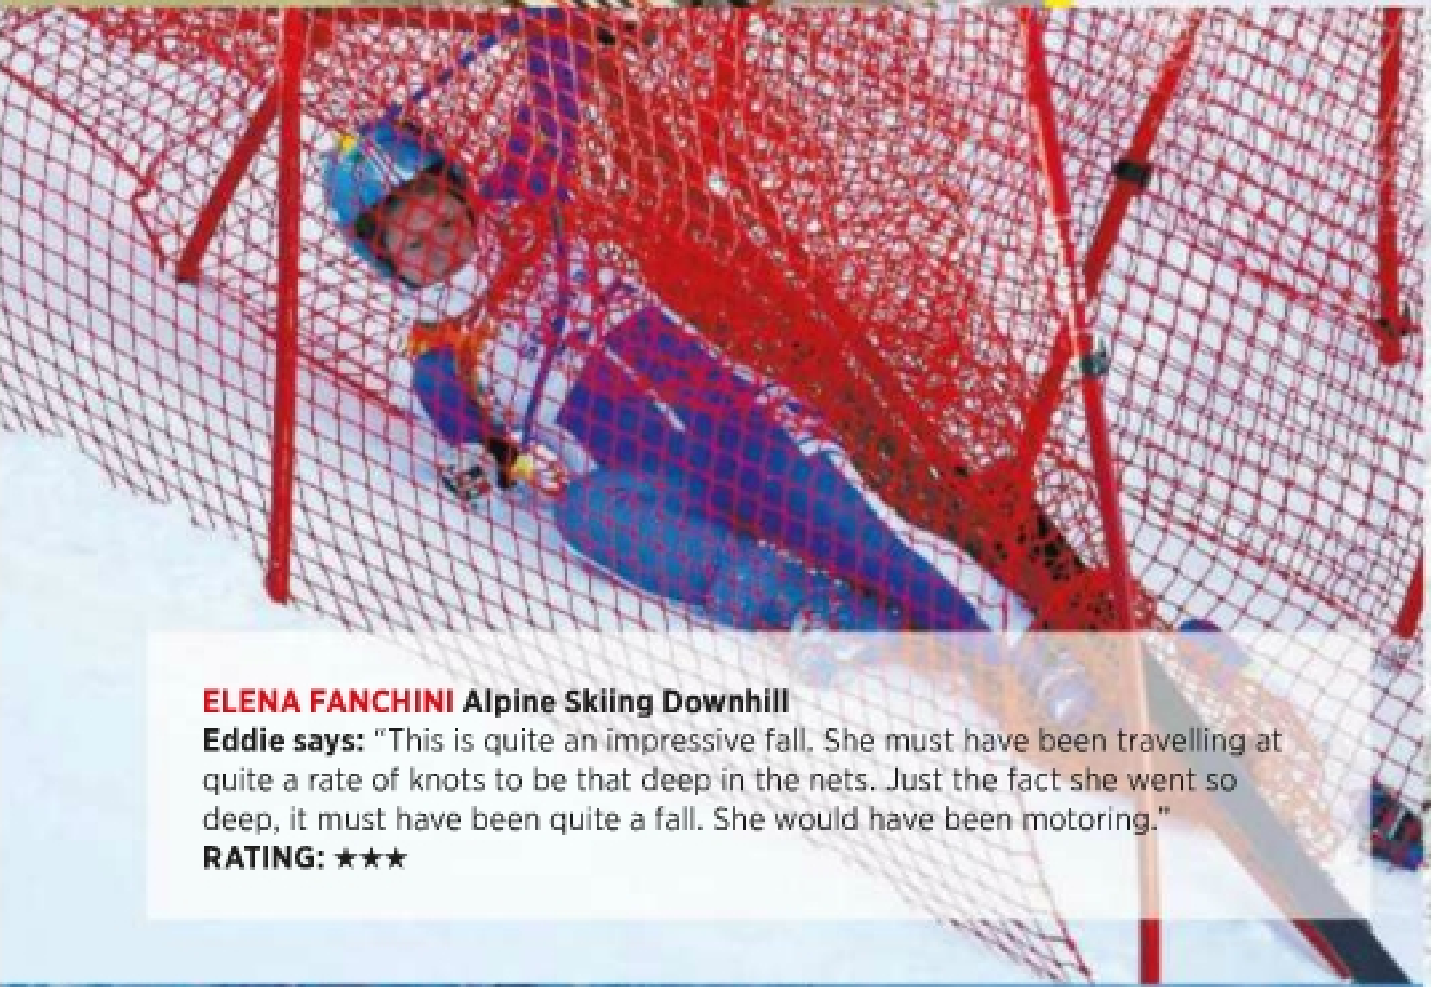
Rated by ski jump sensation Eddie 'The Eagle' Edwards!

SNOW'S A difficult mistress. One minute you're pulling off an effortless 720 off the half pipe, the next you're on your bum, spitting out flakes, and teeth! We asked Brit Olympic legend Eddie "The Eagle" Edwards to rate the best Winter Olympics smashes so far...

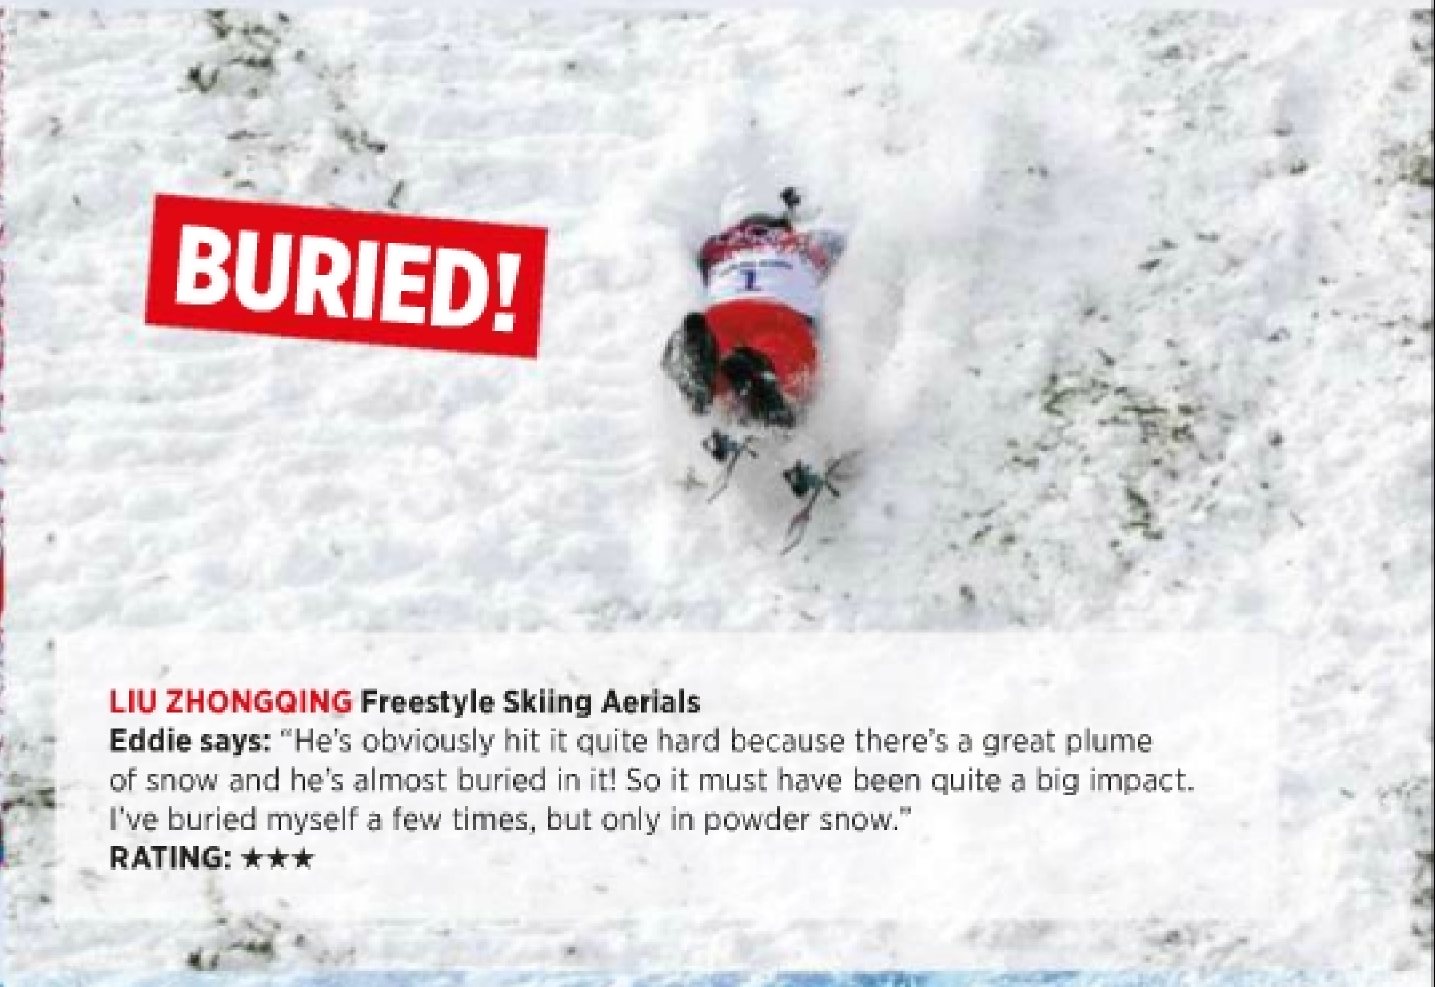
CAST IRON OLYMPIC LEGEND! Eddie represented Great Britain in the ski jump at the 1988 Winter Olympics.



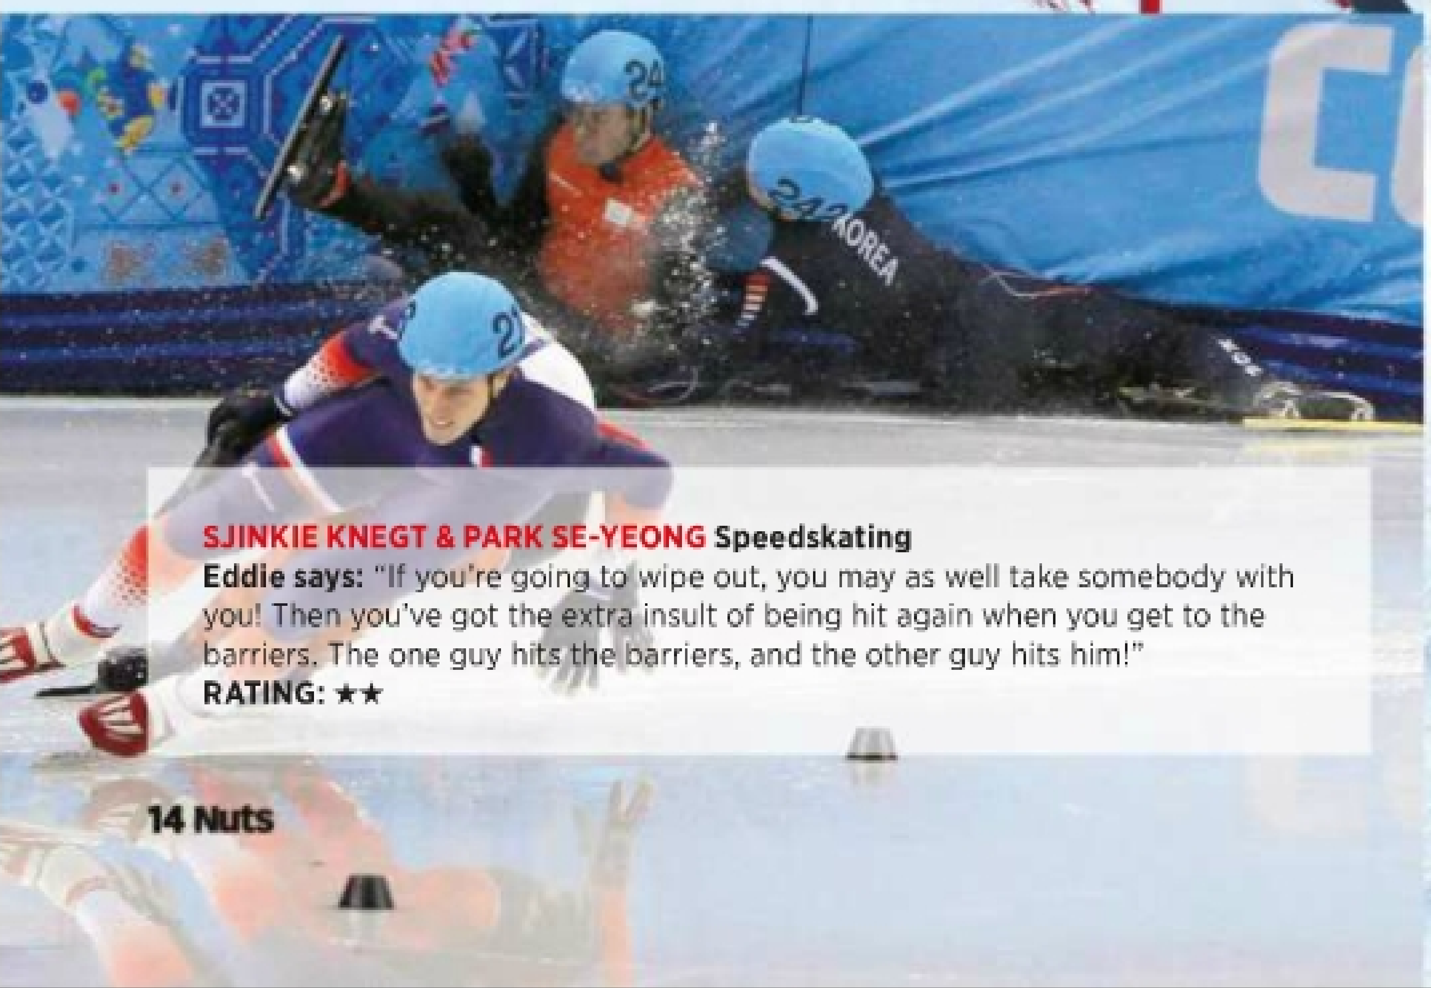
ANNA MIRTOVA Women's Freestyle Skiing
Eddie says: "In terms of wipeouts, that has got to be one of the best ones. There's no going back from that. Once your skis have gone, it's all over. She would have had to have hit the snow quite hard for both the skis to release."
RATING: ★★★★★



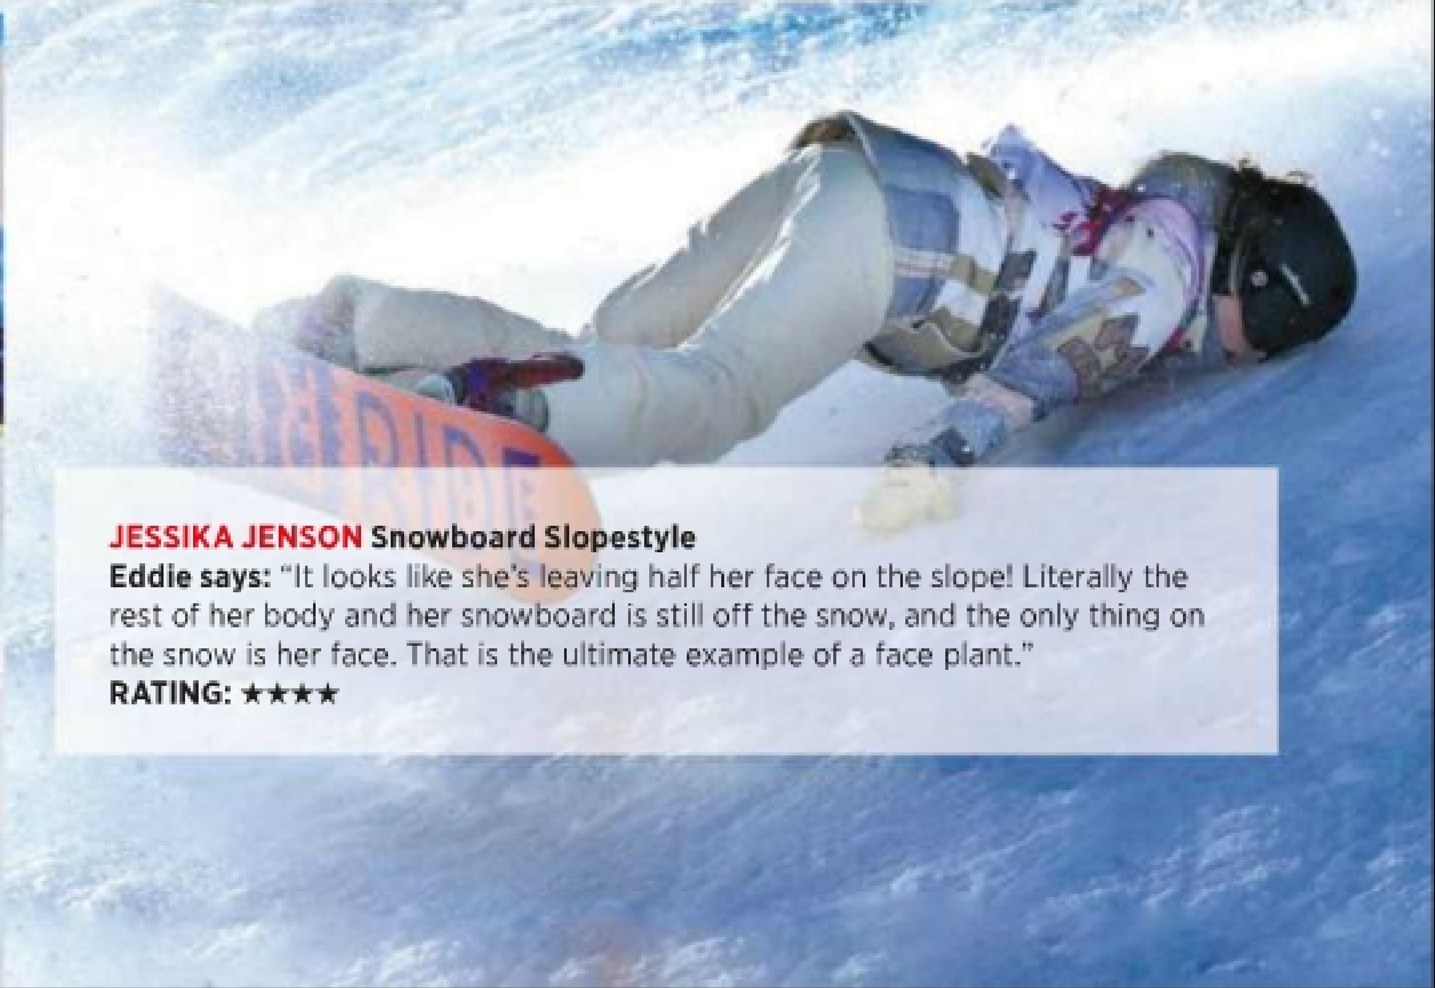
ELENA FANCHINI Alpine Skiing Downhill
Eddie says: "This is quite an impressive fall. She must have been travelling at quite a rate of knots to be that deep in the nets. Just the fact she went so deep, it must have been quite a fall. She would have been motoring."
RATING: ★★★



LIU ZHONGQING Freestyle Skiing Aerials
Eddie says: "He's obviously hit it quite hard because there's a great plume of snow and he's almost buried in it! So it must have been quite a big impact. I've buried myself a few times, but only in powder snow."
RATING: ★★★



SJINKIE KNEGT & PARK SE-YEONG Speedskating
Eddie says: "If you're going to wipe out, you may as well take somebody with you! Then you've got the extra insult of being hit again when you get to the barriers. The one guy hits the barriers, and the other guy hits him!"
RATING: ★★



JESSIKA JENSON Snowboard Slopestyle
Eddie says: "It looks like she's leaving half her face on the slope! Literally the rest of her body and her snowboard is still off the snow, and the only thing on the snow is her face. That is the ultimate example of a face plant."
RATING: ★★★★

DANNY DAVIS **Snowboard Halfpipe**
Eddie says: "It's quite good, because usually the snowboard is below you, rather than you below the snowboard when you land. He looks like he's trying to slow himself down with one hand. Trying to get some sort of stability back."
RATING: ★★★★

HENRIK HARLAUT **Freestyle Skiing Slopestyle**
Eddie says: "It could have been worse – if it was Y-fronts he was wearing! His street cred would have been right out the window. But if he'd gone commando that would have got an even better score – six out of five!"
RATING: ★★★★★

IOAN VALERIU **Alpine Skiing Men's Downhill**
Eddie says: "He's lost both skis and that's the men's downhill, so he would have been going very fast. He hasn't got any skis on and he's still flying through the air as he hits the nets, so yep, that is a very spectacular fall."
RATING: ★★★★★

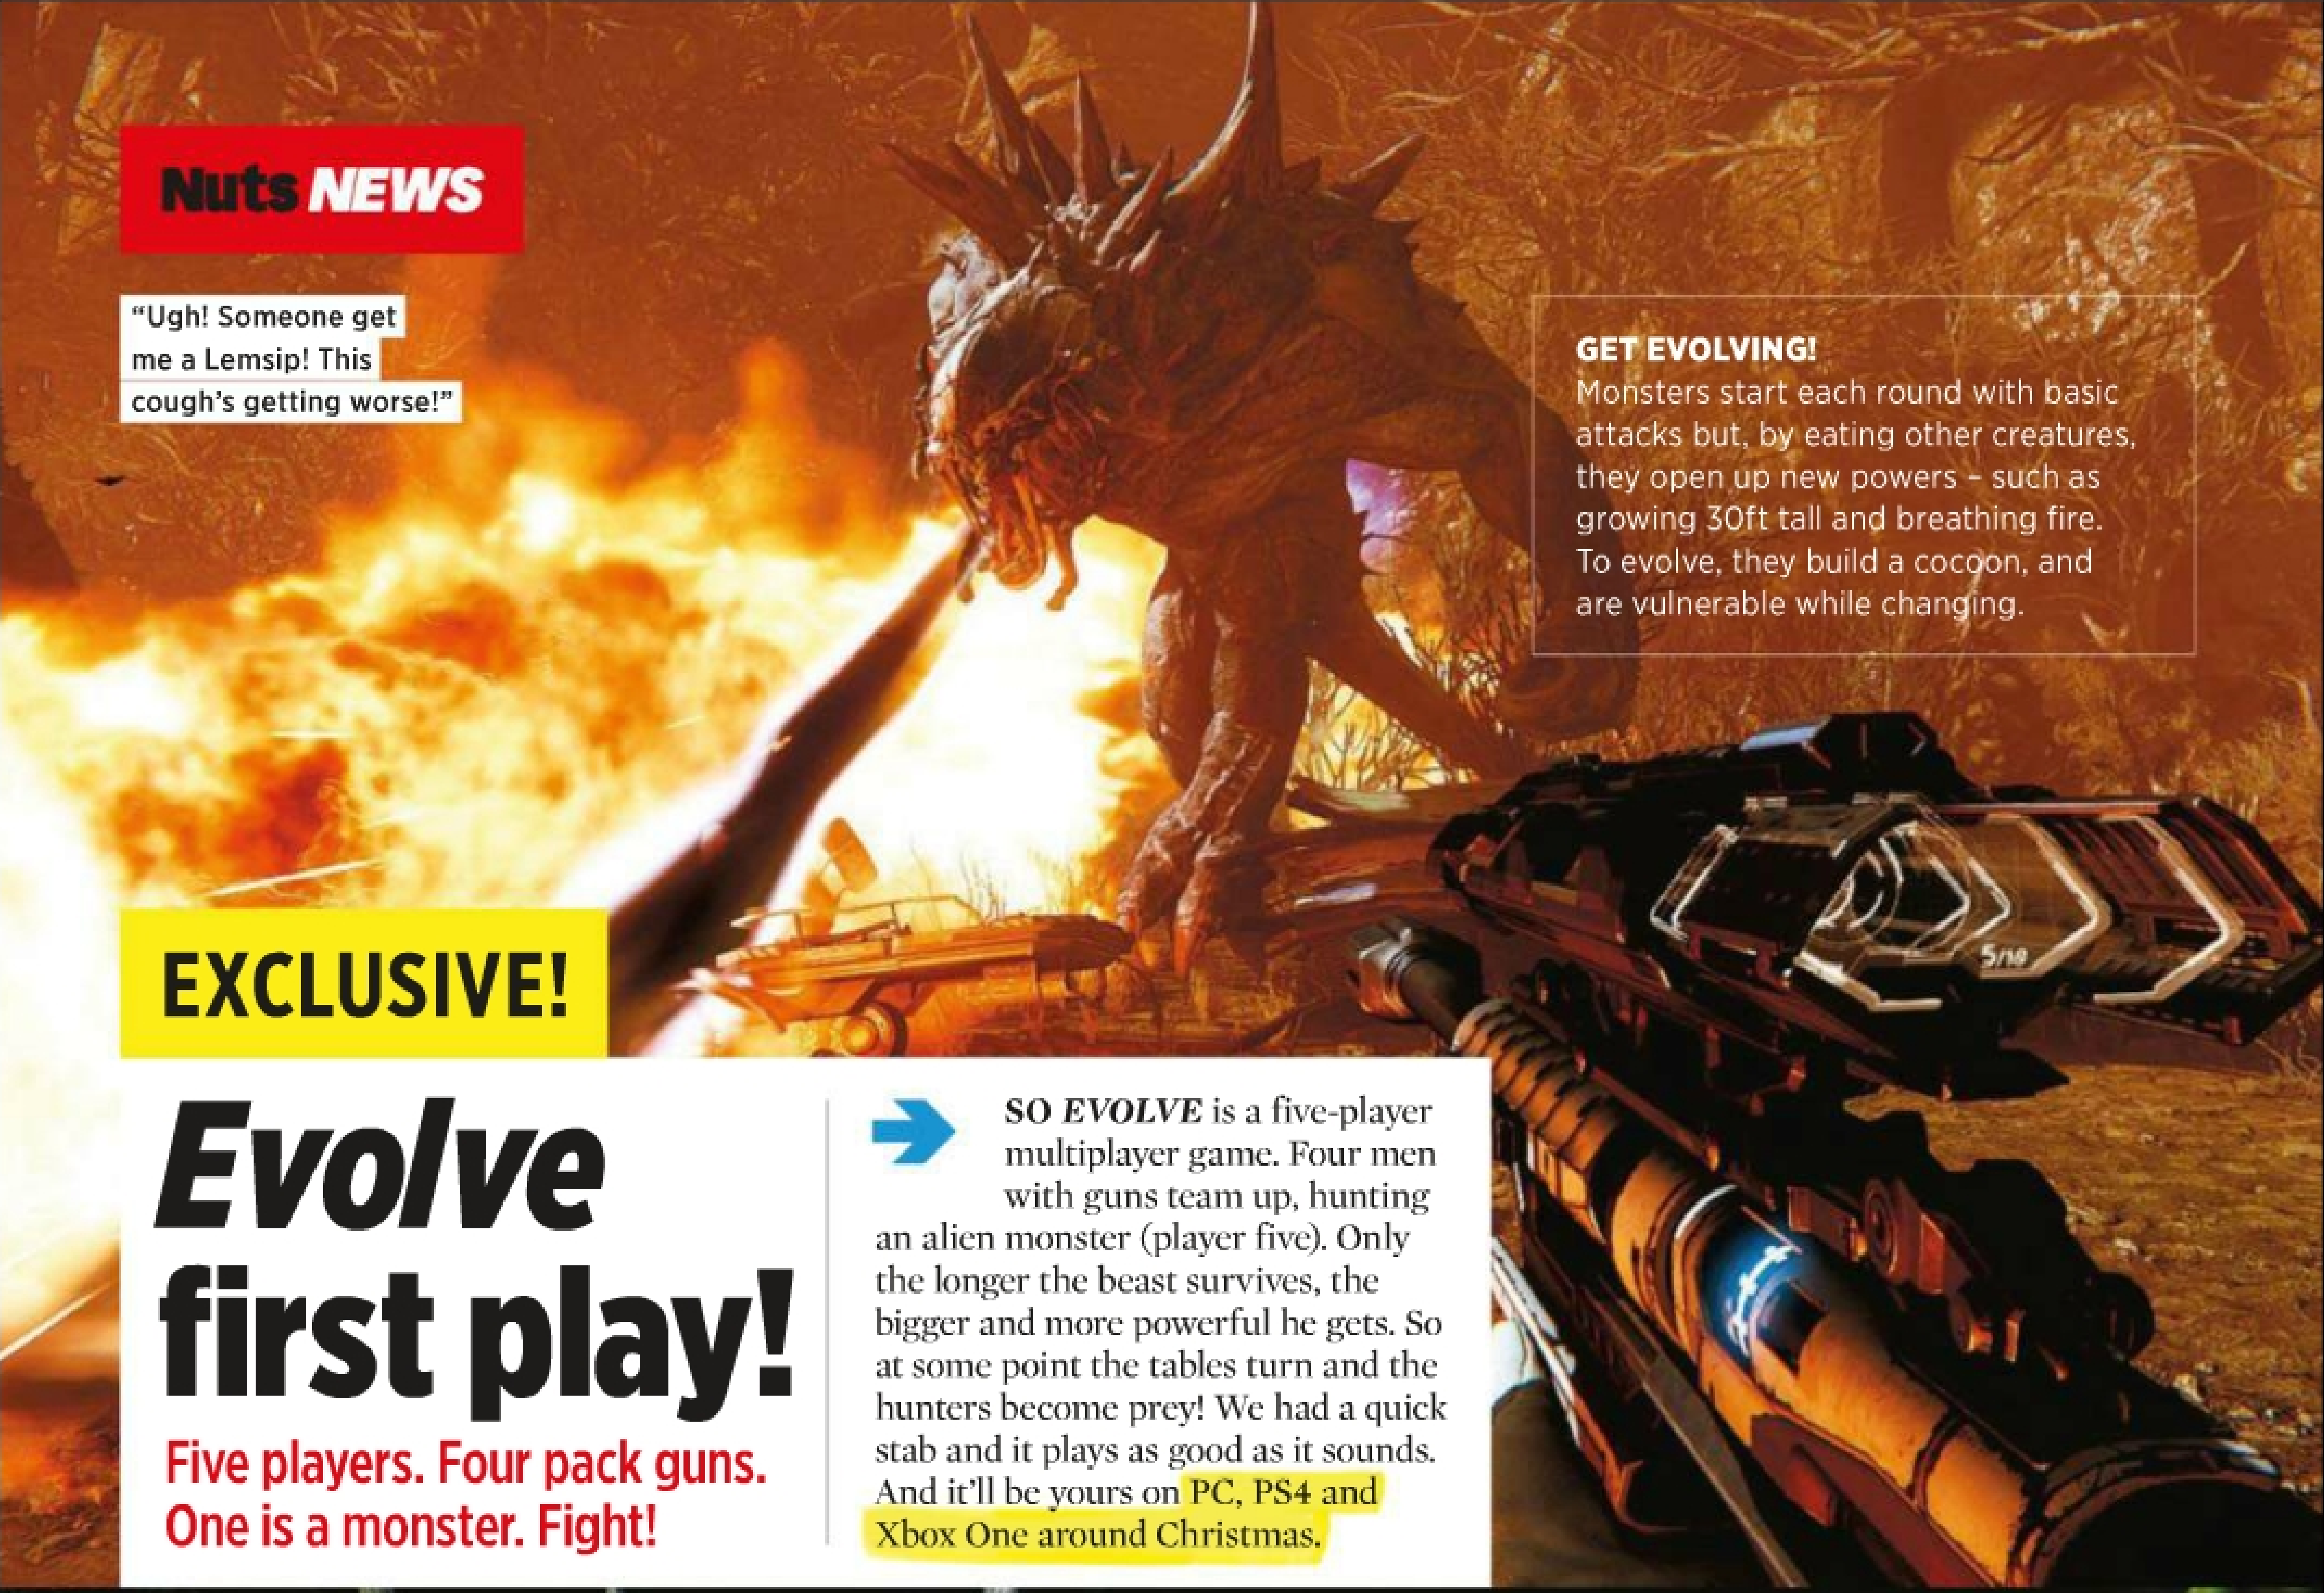
DEVIN LOGAN **Freestyle Skiing Slopestyle**
Eddie says: "She's obviously fallen over, but she still wants to show she's got style, with her legs and skis crossed like that, arms out. I think she's still trying to impress the judges, and get as many marks for her attempt as she can!"
RATING: ★★★

NICOLE PARKS **Freestyle skiing**
Eddie says: "She has taken the faceplant to a whole, new level! She's not only face planted, she's literally landed on her head and face! She didn't have time to do anything to protect herself. So, a very, very good wipeout."
RATING: ★★★★★

INTERVIEW: RORY BUCKERIDGE. PHOTOS: ACTION IMAGES, REX FEATURES, GETTY IMAGES, PA PHOTOS, EYEVINE, CORBIS

SHI JINGNAN **1,500m Short Track Speed Skating**
Eddie says: "As it's speed skating then I'd only give him probably a one out of five. He's not really going that fast. It's interesting that he's almost doubled up, so he might get an extra half mark for that."
RATING: ★

MICHAL LIGOCKI **Men's Snowboard Halfpipe**
Eddie says: "I always go by the rule that if you're going to fall over, fall over in style. Just for sheer style – he's upside down, he's waving to the crowd, saying, 'Wow! Look at me, am I cool or what?' It's a big success as a wipeout!"
RATING: ★★★★



“Ugh! Someone get me a Lemsip! This cough’s getting worse!”

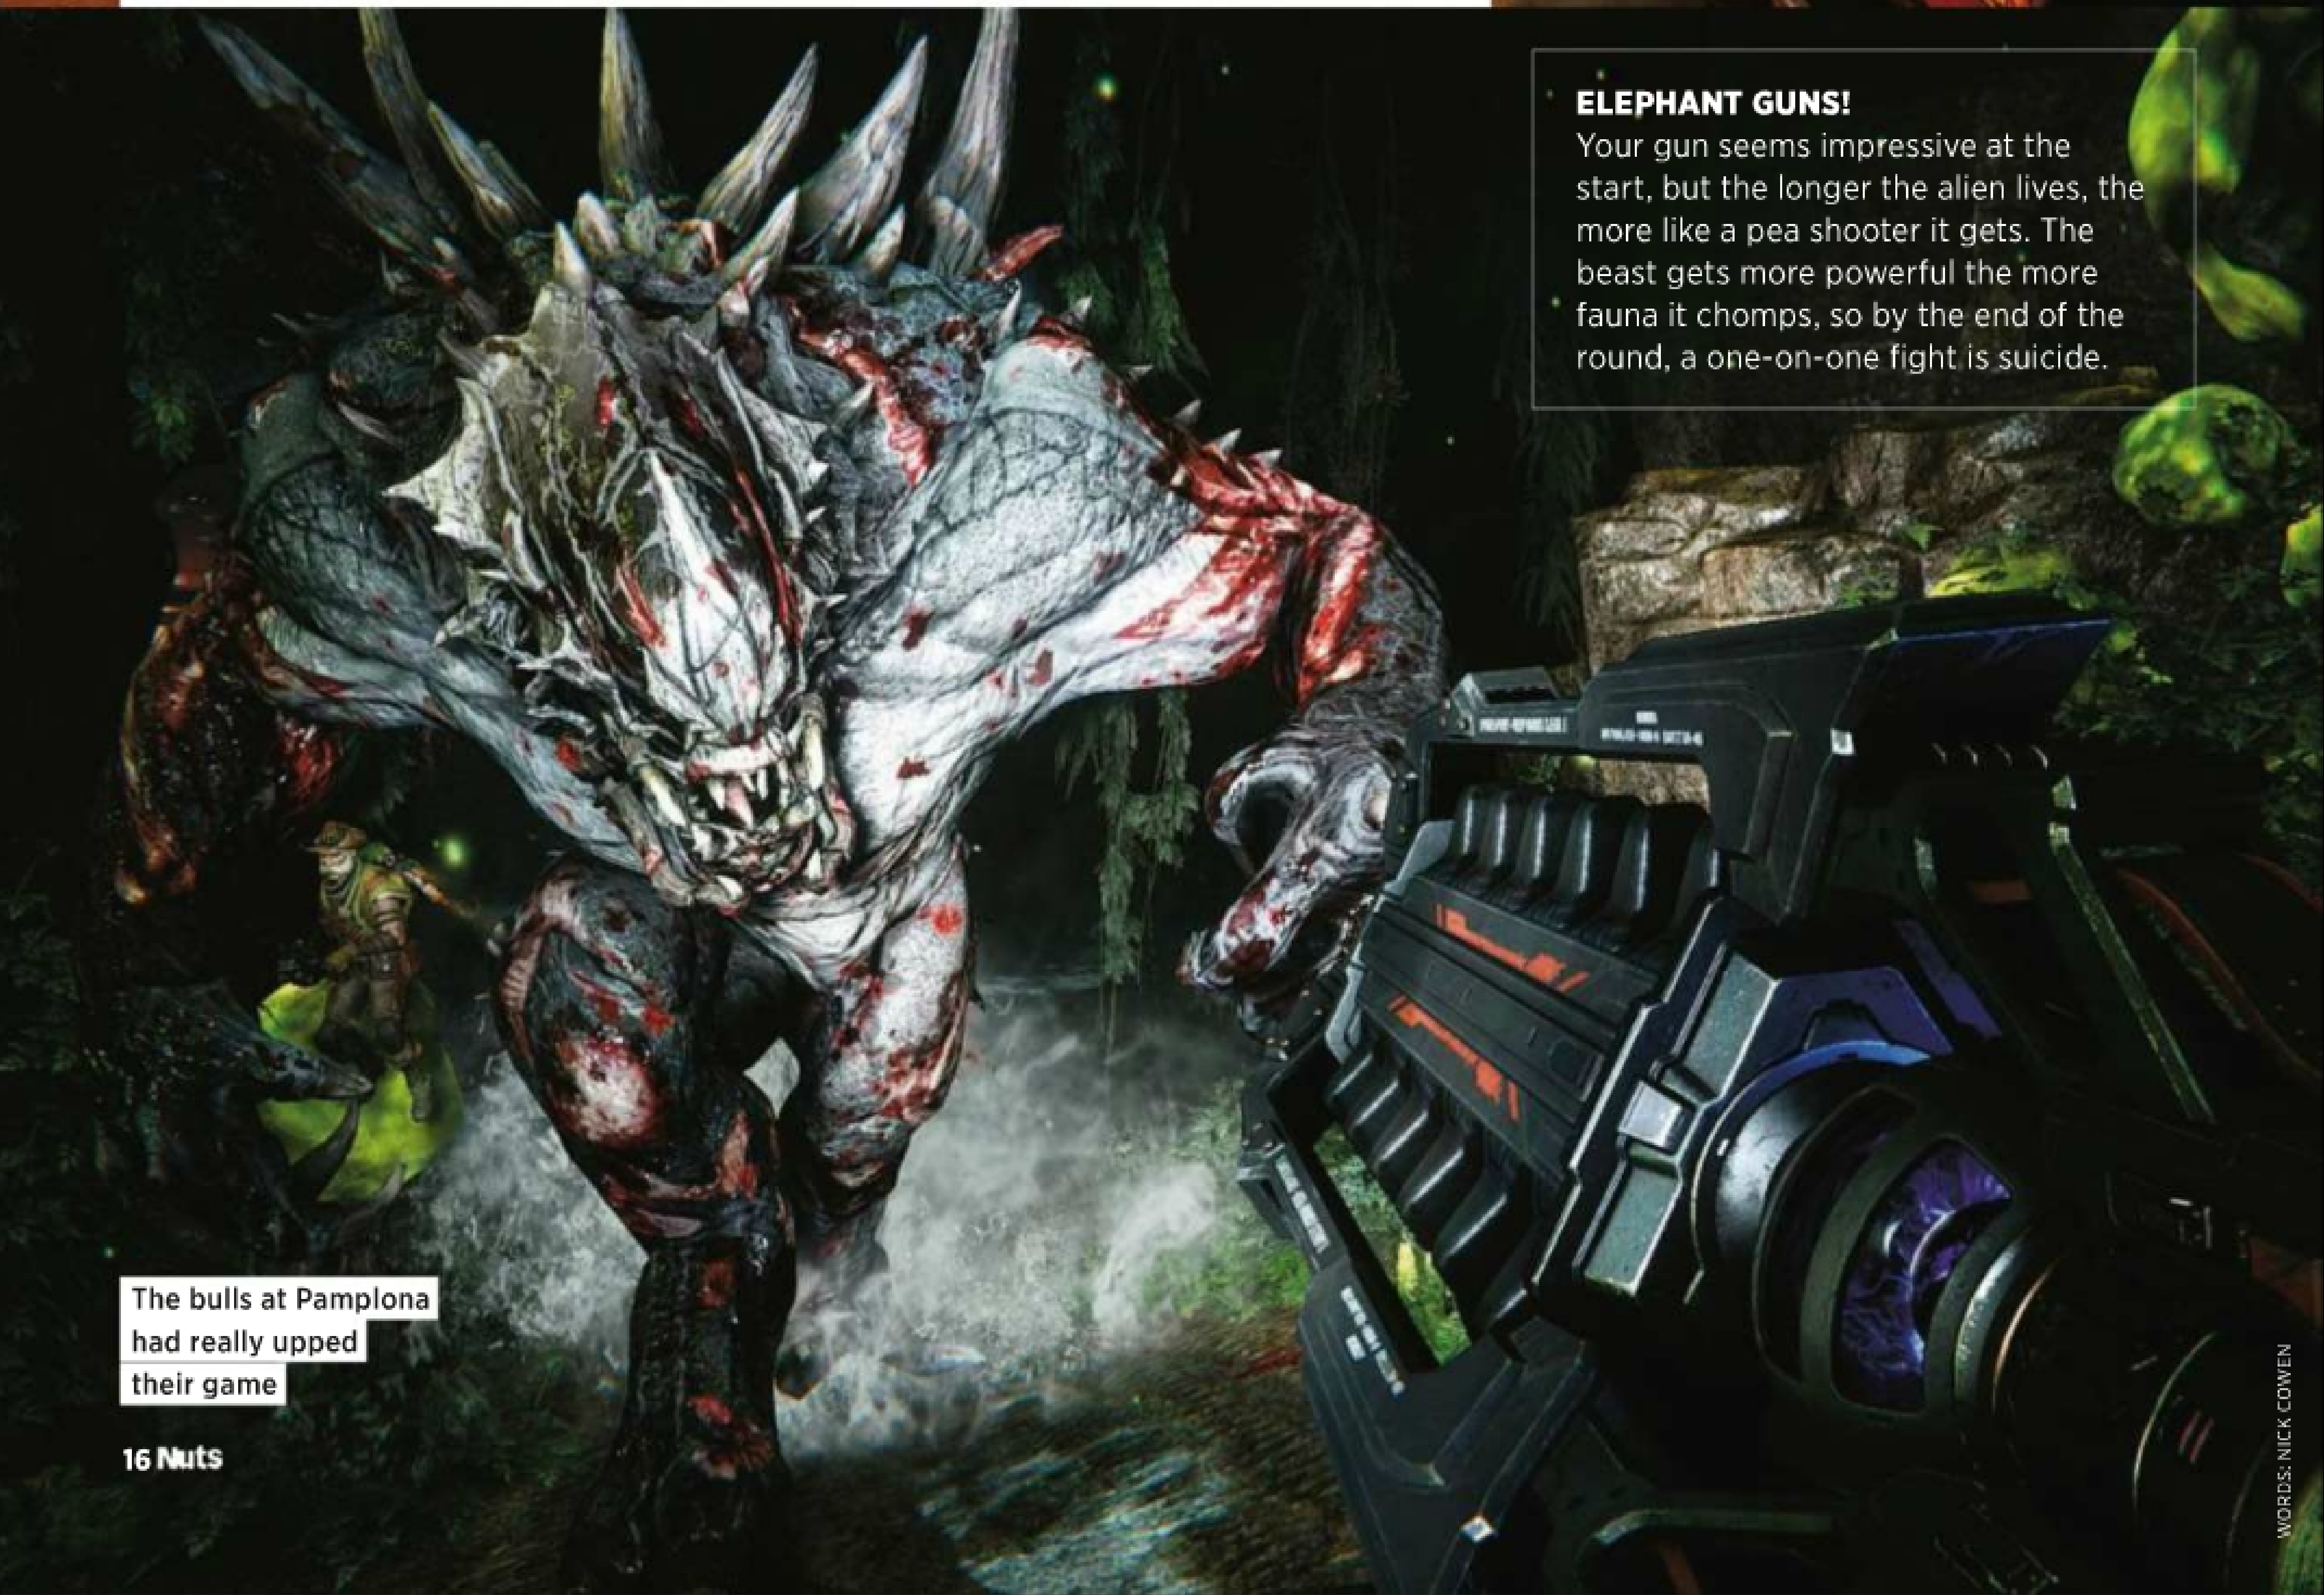
GET EVOLVING!
Monsters start each round with basic attacks but, by eating other creatures, they open up new powers – such as growing 30ft tall and breathing fire. To evolve, they build a cocoon, and are vulnerable while changing.

EXCLUSIVE!

Evolve first play!

Five players. Four pack guns. One is a monster. Fight!

SO *EVOLVE* is a five-player multiplayer game. Four men with guns team up, hunting an alien monster (player five). Only the longer the beast survives, the bigger and more powerful he gets. So at some point the tables turn and the hunters become prey! We had a quick stab and it plays as good as it sounds. And it’ll be yours on PC, PS4 and Xbox One around Christmas.



ELEPHANT GUNS!
Your gun seems impressive at the start, but the longer the alien lives, the more like a pea shooter it gets. The beast gets more powerful the more fauna it chomps, so by the end of the round, a one-on-one fight is suicide.

The bulls at Pamplona had really upped their game

WORDS: NICK COWEN

HOW IT WORKS!
It's simple, really. If the hunters kill the monster, it's game over. If the monster puts the hunters down, it's game over. Guns have unlimited ammo, but a cool-down period. Plus, there are objectives to complete.

The new forest ranger meant business

London Zoo's new exhibit was a bit hairy

CHOOSE A CLASS!
Each of the human players has a different set of skills. Hunters use electrified fence traps and detectors, medics heal other players, support class shields players and assault class just shoot the stuffing out of monsters!

"Predator was a pussy!"

THEY'RE DAVID, YOU'RE GOLIATH!
Players also fight the planet's other animals, but it's this Goliath you need to worry about. A hybrid of ape, snake and xenomorph, at first it can punch and climb walls, but you can add more skills with each evolution.

GAPING FOOT!

'The doctor stepped back and said, "Jesus!"'

This is what happens when you don't deal with your blisters!

USUALLY, WHEN we've developed blisters on our feet, us chaps tough them out or pop 'em with a pin. But it was this stoic attitude that saw *Nuts* reader Robert Simmons from Southend ending up with a wound on his foot that led to over a month in hospital!

"It all started with a blister on my toe," explains the car factory employee. "I'm a diabetic, so I don't get much feeling down there, so I just ignored it. It eventually went red, and then my toenail curled up and fell off, so I went to the doctor and he gave me antibiotics. But it worsened, to the point that I couldn't put my work boots on. So my work sent me to A&E. When I took my sock off, the doctor said, 'Oh Jesus Christ!' You know it's bad when that happens."

It was, indeed, very bad, so the doctors rushed Robert straight into surgery.

"At first, they cut off the top half of my toe and sent me home. But it got infected and when I went back, the nurse nearly fainted when the bandage came off. They took the entire toe off, right down to the ball and half my instep, and had to do a skin graft. Basically, the blister had turned into an ulcer and made a bit of a mess inside my foot."

So let that be a lesson, chaps. Don't ignore your blisters or they'll wreak vicious revenge.

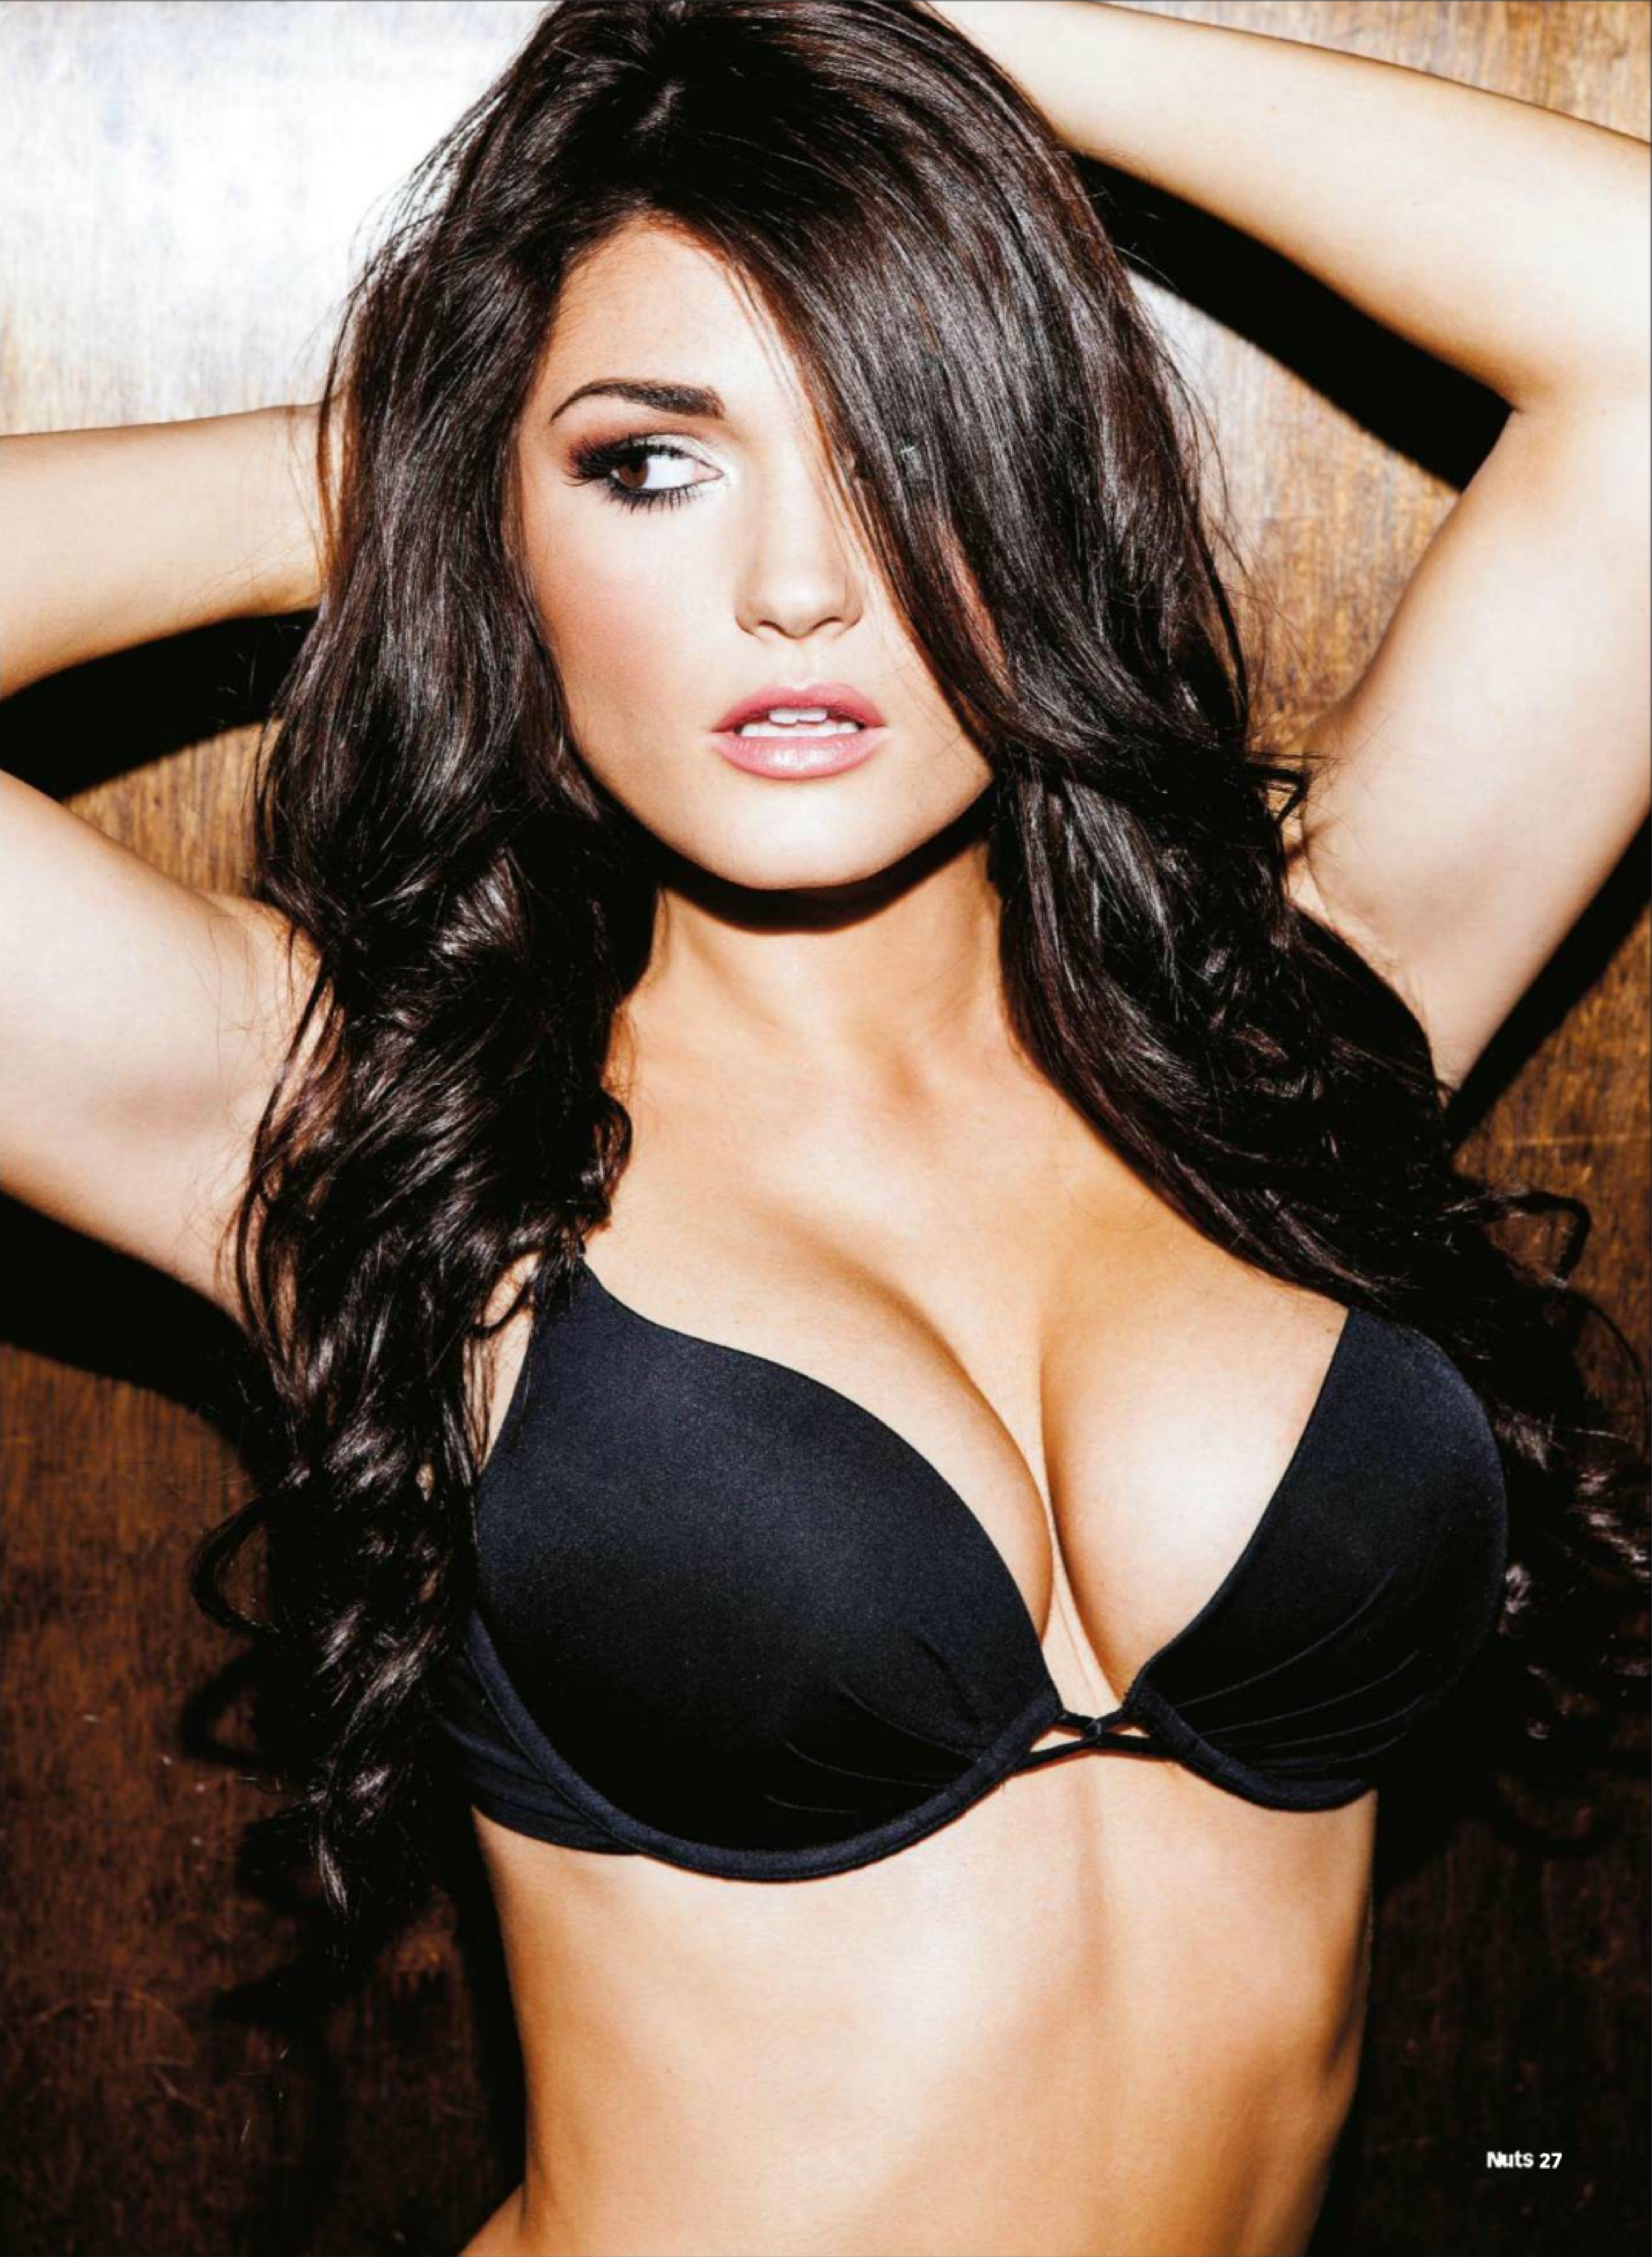
India Reynolds!

The brunette beauty in some lovely lingerie!



"I'm lucky all my friends are sexy models!"

Hey India! How have you enjoyed today's sexy shenanigans?
It's been great, thanks! It's nice to do solo shoots sometimes, as you don't get into as much mischief. It's just been me, some sexy lingerie and a rain mac. I definitely feel sexiest in black stockings and suspenders, and stuff like that.

Have you ever actually done the whole "showing up with lingerie under a mac" thing?
Erm, no! I would, though. You see it in films a lot. I definitely would if I was with a bloke who was into that sort of thing. But can you imagine being searched by the police? Ha-ha!

Good point. Last time we chatted, you were getting into photography. How's that going?
It's great. It's tricky fitting it around the modelling, but I'm really enjoying it. I'm quite lucky that all my friends are sexy models, so I have lots of people to shoot who know what they're doing. I've got lots of pictures of Rosie Jones.

Not forgetting that the *Nuts* chaps posed in the buff recently for a charity calendar, does it feel weird to be on the other side of the camera?
Ha-ha! How amazing was that? I should have done the pictures for it. We could have done a proper role-reversal. You all did a great job. Hilarious!

Erm, thanks! Which sexy celeb lady would you love to shoot?
That's really hard. I'd love to shoot Kim Kardashian or Beyoncé. But do you know that dark-haired girl who was in the *Blurred Lines* video? [Emily Ratajkowski – *Nuts* Music Ed] She's amazing. I'd love to get her in front of the camera.

Will you see Beyoncé when she hits the UK next month?
No! I didn't get any tickets. I absolutely love her, so I'm gutted. But I did get Wireless festival tickets, which is ▶

"Let's do a *Nuts* shoot with Rihanna in a bikini in Barbados!"

good. I'm going to see Pharrell, which I'm proper excited about. And Kanye West, Drake, Rudimental... should be amazing! Plus I won't have to camp.

Not the camping type, then?
No, it's horrible! I can't cope with the mud. I can handle Reading Festival but I can just pop home afterwards as I'm from there. Have you seen it when it rains there? It's gross!

Fair dos! Which other *Nuts* babes have hidden talents?
Holly Peers has been doing loads of make-up on shoots recently. She's really good. We could team up and do a one-stop glamour shop.

Any mad adventures recently?
Yes, we went to Las Vegas the other month...

Hang on, Las Vegas? You're always over there!
I know! It was amazing, and we raised loads of money for Help For Heroes, but we also had such a good time. We went to see Calvin Harris and had such a top night. It's just such a bizarre place – you feel like you're in a film.

Make any famous friends?
No, but we met one of Rihanna's security people, and he invited us to go to Barbados and party with them all. I was like, "Yes, sounds lovely!" Barbados and Rihanna in her bikini? Sounds like a plan. Let's do a *Nuts* shoot with her!

We'll certainly try. Thanks for the chat, India. Finally then, your fellow *Nuts* fitties always accuse you of being the lightweight. Is that unfair?
I'm not the worst! I'm quite bad at drinking, but I'm no worse than the others, honest. I think they all turn on me because I'm an easy target. We did see one girl in Vegas who was so drunk that she got removed from the dance floor in a wheelchair. Everyone said that should be me one day! ✖

INTERVIEW: SI CUNNINGHAM

The lovable scamp spills the beans on his mad post-*CBB* life!

Luisa gave rubber duck a cheeky tickle

Hi Dappy. How's life been since leaving the *Celebrity Big Brother* house?
Amazing. It was amazing before and it's just slightly better now.

Do more people come up to say nice things?
I got recognised before, 'cos I'm a character, innit? But it's changed people's perception of me. People aren't judging the book by its cover any more.

Luisa seemed obsessed with your willy. Has she seen it since leaving the house?
Um, ha! No, she hasn't.

Is your willy pleased it's become such a national talking point?
Well, yeah. It's good. It can't even get through customs, mate. It's got its own heartbeat and everything. I need to get him a passport now. Ha!

Who gave the best nipple-suck, you or Luisa?
God, you did watch a lot of *Big Brother*, didn't you? I did it for a bit longer, so I'll say me. She knows what she's doing. She didn't want to act up too crazy in front of the camera. I understand that.

You said you were going to buy a Lambo with your appearance money. Is it parked outside your house?
Oh, don't worry about that. That's for me to know. I'll tweet an Instagram picture very shortly.

But didn't you agree to do the show because you were a bit, er, skint?
I was far from skint. I was very financially stable. It's just made me a little bit more financially stable. I had a massive record deal and money stacked up from endorsements. I don't know why the papers say things, but you've got to meet someone and talk with their accountant before you say they've got no money.

If Fazer and Tulisa don't want to reform N-Dubz, might you reform with Liz Jones and Jim Davidson instead?
I'll make a group with Jim. Ha! Jim's a good friend. He's very quick-witted, smart and intelligent. He taught me a lot in a short space of time.

The *Big Brother* production team clearly came into the house at times. Did they help you cheat at tasks?
We didn't see no one come into the house. The only thing we saw were chickpeas, tins of tomatoes, blimmin' aliens and goo and paint. We didn't see another person for 26 days.

Really? Surely they just told you to say that...
Really, bruv.

What are you most upset at getting told off about?
Just being naughty. We did some sh*t in the house. I saw so much it would be telling if I said anything.

You got some flak for not flushing the bog...
I only went in there and p*ssed. Then Lulu, Miss Bossy Boots, said, "It was Dappy who p*ssed and didn't flush." I don't want to say the things I saw down that toilet. I didn't go running out saying, "Someone's left a poo the size of a Coke can in the toilet."

What's your toilet etiquette at home, Dappy? Just a wee, leave it be? Number two, flush the loo?
I'm not talking about this. I don't even have a bum. My legs go straight into my back. I don't even fart!

Would you be better behaved in real life if you had to report into a *Big Brother*-style diary room every day?
I've always been well behaved. The house has taught me how to separate Costas [Dappy's real name] from Dappy. When my mum used to say, "Come and eat on the dinner table," I'd say, "Nah, I want to eat in front of the TV." I lost my family, then my dad. Going into the house has made me appreciate my loved ones. I'll always be hard-bodied on the outside, but everyone's got a heart, everyone's got a soul. Going into the house shattered my bad-boy barrier, but in a nice way.

They extended the show by four days. Did you get paid more for it?
Of course. We knew it was the best *Big Brother* so far, so we wanted to stay.

What was your favourite moment from your time in the *CBB* house?
The clock game, when the bell rings and they send a family member through. I loved the bit where Jim's wife and daughter came in, and Sam's mum. It made me cry. I cried for strangers.

That could be the title of your next single. A new, more sensitive direction...
Ha!

Do you feel bad about having a go at Luisa for going to a sex party? Surely you and Fazer have hosted your fair share in your time?
No. I've had a threesome a couple of times, but I've not been involved in that, whipping people and sticking objects in their mouths.

Were these threesomes with two girls, a girl and a man, or two other men?
Me and two girls. That's the most I've done.

Would you like to do *I'm A Celebrity...*?
In the jungle? I'd entertain everyone, but I don't like bugs and spiders. You'd see me scream like a little girl when it comes to that.

What else makes you scream?
I don't like being in the shower with wet tiles and hair and sand on the floor. That texture on my feet. Oh my god, I hate that.

How did you get kicked in the face by a horse last year?
It was crazy. We had a measure up and he got jealous so he kicked me in the face. Ha! It knocked me out. It put me on my bum.

Has it had any long-lasting effect on you? Horsey nightmares, maybe?
My nose was in a really bad condition. My nose ended up under my left eye. I had to get cosmetic surgery straight away. I looked up at the doctor and said, "Please save my nose" and when I woke up it was back to normal.

Thanks for the chat, Dappy! Do you think people who might have thought you were a bit of a wally like you now?
Of course. If they don't, I don't know what's wrong with them! ✖

HOW TO SURVIVE IN ENEMY TERRITORY!

Nuts hears the incredible stories of former SEAL Joel Lambert, and they're not for the faint-hearted...

Hello Joel, tell us how you became a Navy SEAL?
When I was ten years old, I heard a story about one of my father's friends who had attempted Navy SEAL training. He took part in an exercise where his hands and feet were tied behind his back, he was thrown into the deep end of a swimming pool and basically told to survive. Every time I would go into the pool, I would think of ways I could get out of a similar situation. Fast-forward to my early 20s and I still wanted to test those survival instincts. So I sold everything I owned and trained for a year.

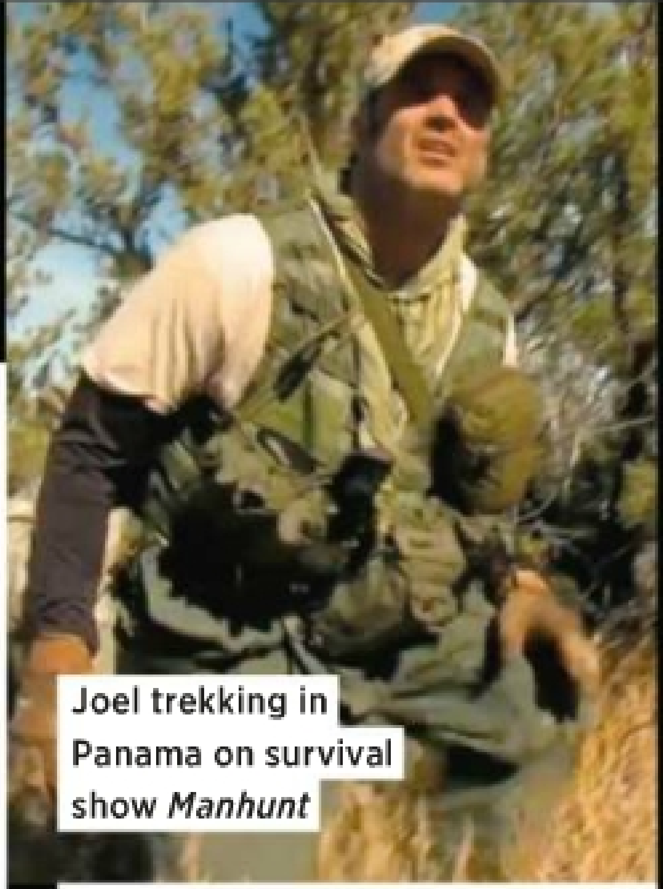
What's the process for becoming a Navy SEAL?
First, I had a daily BUD/S training program [Basic Underwater Demolition/SEAL]. That consisted of running five miles in boots, swimming a mile in fins, then doing 400 push-ups, 500 sit-ups and a couple of hundred pull-ups. That was four days a week and was brutal.

Were you ever in genuine danger in training?
Yeah, this one time we were doing the "double duck", which is where you parachute two Zodiac boats into the ocean and skydive after them. The weather was really bad that day and as I opened my parachute, the winds picked up unexpectedly. I wasn't able to remove my leg straps before hitting the water, so was dragged through the ocean by my 'chute. Just as I managed to get them off I realised my cords were completely tangled around me. To make matters worse, the parachute started to sink, pulling me down with it.

How did you get out alive?
I blew my emergency whistle but the rescue boats were helping out another trainee. I was thinking: "This is it. I'm going to die." When help finally arrived, I'd been underwater for several minutes. I climbed onto the boat, took a moment, and then jumped back into the water to complete the exercise.

Why did you continue?
You can't dwell on setbacks. It doesn't matter whether you're in a training exercise or a combat situation – a truly skilled warrior replaces his fear with focus.

What made you agree to take part in new survival TV show *Manhunt*?
A friend got in touch and said he knew someone looking for someone with a survival background. I sent my information over to the producer, who called me back. I found out he was an ex-Special Forces soldier – not your typical Hollywood type. We wanted it to be a genuine escape and evasion scenario – and believe me, this is as real as it gets.



Joel trekking in Panama on survival show *Manhunt*

There's genuine jeopardy?
I have no weapons, support, food, water or communications and have 48 hours to make it through enemy territory to an extraction point. We're up against genuine tracking units.

Were you familiar with the units you were up against?
Yes, but even though they all had fierce reputations, I couldn't allow myself to be intimidated. The moment they get into your head, they've won. Before every mission I researched each team thoroughly. I wanted to identify their strengths so I can avoid them and their weaknesses so I could exploit them.

What was the biggest challenge you faced?
The most difficult thing was trying to stop clueless cameramen from giving away my location! Being ex-military, my producer was a real asset, but the guys doing the filming were not. There was a tense dynamic between me and the crew, because they were trying to make a TV show and I was trying to evade capture.

Do you have any horror stories from the filming?
We were in Panama travelling by boat in the middle of the night when a flying fish leapt across our vessel. We were laughing about it when I realised our producer Brian wasn't speaking. I shone my torch on him and saw his face was covered in blood. We all assumed the fish had cut him, but he was rushed to surgery and we were told the fish had pierced through his neck, and was lodged a centimetre away from his carotid artery. Surgeons had to go in from the other side of his neck and pull the fish through.

Blimey! So it's quite intense stuff...
Absolutely. I took quite a battering. Every morning, my bed sheets would be soaked in blood!

How did you manage to evade capture?
I find the best counter-tracking manoeuvre is simply to get inside the trackers' heads. They think I'm the prey but, if you're smart, you can turn that around and gain the advantage.

So how would you turn the tables on them?
Setting up booby traps is effective. They aren't deadly, but they do slow the trackers down. In the Philippines, I set a trap where a sapling springs out when someone steps into a trip wire.

Thanks, Joel, finally, in all honesty, could anyone become a Navy SEAL?
Yes and no. There's limitless potential in every one of us, but the cost of achieving that potential is so high that few of us will ever achieve it. ✖

- *Manhunt*, Thursdays, 9pm, Discovery/HD.

Navy SEAL facts!

- **Navy SEALS make up less than one per cent of all US Navy personnel, and they specialise in clandestine, small-unit missions.**
- Eighty per cent of those who volunteer to become a SEAL drop out before completing the elite BUD/S training.
- **The most notorious part of training is "Hell Week" – five and a half days of brutal conditions on fewer than four hours of sleep.**
- The trident worn on the uniforms of Navy SEALs is nicknamed the "Budweiser".

EXCLUSIVE!

Helen Flanagan!

Get a load of her sexy new look!

“I feel sexier with red hair - I’m passionate and fiery!”

Hi Helen! You're looking sexier than ever. What inspired you to go over to the red side?
I wanted a change. I was blonde for quite a long time and wanted to change my image a bit. I was the blonde in the jungle. New Year, fresh start. I feel sexier with red hair. It suits my personality – I'm quite passionate and fiery!

Which raunchy redheads do you have a girl crush on?
I love Lucy Collett. She's beautiful and we're quite similar personality-wise. We're planning a girls' night out soon. We get each other. I also think that Gracie Lewis is stunning.

We agree! Are you any closer to arranging a sexy shoot with Lucy Collett – or indeed any of the other *Nuts* babes?
I'd do a sexy shoot with Lucy – it would be fun. I very much admire other women's beauty. All women are beautiful in their own way.

What's this about *CBB*'s Luisa having a pop at your boobs?
Well, for the record, she has beautiful boobs. Ha-ha! And I never said she wasn't classy. [As Luisa claimed in an interview with a women's mag – Ed] I think we're two really head-strong women. I regret my tweet saying that some of her behaviour was not lady-like. It's not nice to judge someone and I'm a girl's girl. I don't like to be negative to any women. So, big love to Luisa!

Let's all have a big hug! In other news, we saw you met former Stig Ben Collins recently. Would you ever go on *Top Gear*?
I used to watch *Top Gear* all the time with my dad and I love my cars. If I'm ever away, I can't wait to come back and drive my car.

How would you do as the Star in a Reasonably Priced Car?
Probably rubbish, which is quite contradictory as I just ►

“For the record, I think Luisa has beautiful boobs!”

said I love driving. Ha-ha! But I'd be quite cautious. I don't drive my car like an idiot, is what I'm trying to say.

We've seen you driving some nice motors in your time. What will be your next car?
I'd like a Lambo. A black one. I'm very independent when it comes to cars – I like that about myself. I think that's sexy. But I don't want to change my car at the moment. I'm quite happy with what I have and feel very lucky.

Which three random celebs would you love to be stuck on a road trip with?
Kelly Brook would be good, as I admire her. She's a lovely lady and is always very nice to me – we get on really well. I love her photos, they're very classy and sexy. Then, of course, my crush – Leonardo DiCaprio! Finally, Luisa, so we could clear the air!

Is it true you're planning to crack Hollywood this year?
I might go to LA in April. I'm ambitious and driven, but I also think what's meant to be is meant to be and you'll only regret the things you didn't do. You should always do something each day that scares you – within reason!

What would be your ideal movie role?
I love strong, complex female characters. I'd love to do something like *Girl, Interrupted* or *Gia* – something gripping.

Is it better to play a baddie or a sexy innocent girl who gets into mischief?
I don't like playing baddies because it's harder to get into character. I genuinely think if a girl's acting like a bitch, there's a reason behind it.

Nice one! Finally, you always seem to be out partying. How the hell do you relax?
I unwind with exercise. I swim a lot at home to de-stress, especially as I'm naturally not a very chilled person. I like to get stuff done.

The Valleys

MTV • 10pm

The hit reality show's back for a new series of mischief, along with its crew of fun-loving Welsh fitties. The good news? There's a new cast member. Yay! The bad news? It's just some hairy bloke who gets his kit off for a living. Boo! Ah well, we've still got the likes of Lateysha and Jenna to keep us interested. Good fun.

Line Of Duty

BBC TWO/HD • 7.30pm

The second series of the crime thriller about a police anti-corruption unit has continued in much the same vein as the first – grippingly, with an authentic edge that rivals the best of the brilliant Scandinavian crime dramas doing the rounds. Tonight, Denton is attacked while on remand in prison awaiting trial.

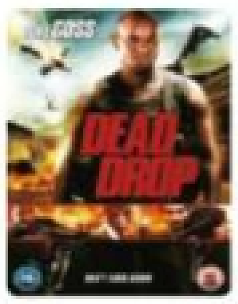
Nuts FILM CLUB

"Stop right there, gardener! You've ruined my begonias!"

THIS WEEK!

Dead Drop

Punch-ups! Mid-air shootings! Mental Mexican drug gangs!



DEAD DROP
17 February • 15

When the idea of a *Nuts* Fight Club was mooted, we didn't have any takers in the office, so instead we started the *Nuts* Film Club. Every couple of weeks, when money starts getting a bit tight, we grab a few beers, crack out the popcorn and stick on a DVD we've been sent.

Men getting punched in the head, explosions, car chases, the sound of automatic weapons popping off... action films rule, right? Well, this week's selection was *Dead Drop* – a crime thriller set in Mexico.

It stars Luke Goss, who used to be a drummer in boy band Bros (ask your mum!) as government agent Michael Shaughnessy. When the film starts, Shaughnessy is having a punch-up on a plane with a man called Santiago, who shoots him in the gut and slings him out the door. Which would be bad enough ordinarily, but the plane's 5,000 feet up and Shaughnessy doesn't have a parachute!

Now, obviously, Shaughnessy survives the fall (hey, it'd be a pretty short film if he didn't!), but he's none too happy about his in-flight treatment. It transpires that he had been investigating a Mexican drug gang who now believe him dead. The perfect cover, therefore, to infiltrate the gang and wreak his revenge!

"One more strike and the cuddly diplodocus is mine!"

"Stupid cloud"

Verdict...

Here's what we think...

Nuts man Casey:

"Cole Hauser's in it! Cole Hauser out of *2 Fast 2 Furious*! And *Pitch Black*! And *Olympus Has Fallen*! I love Cole Hauser!"

Nuts man Mark:

"The locations are James Bond exotic, and while the stunts aren't quite as big as an 007 film, the action scenes still rock!"

Nuts man Rom:

"I wasn't expecting much from former '80s pop bloke Luke Goss, but he's so convincing as an ex-CIA hard nut!"

VERDICT:

Slick, solid bloke action fare. Perfect for a night in front of the box with a beer!

10 RUDE QUESTIONS!

And a real girl to answer them!

Levi

19 Blackburn

1 Where's the best place you've had sex?
"I once had sex in a field on a beaming hot day. It was a bit strange because the sheep were watching us, but then again it was one of the best places because I loved the thrill. I don't think you can beat having sex in the open air."

2 What really turns you on?
"A good-looking boy with a bit of cheekiness about him – whether it's his smile or eyes, or whatever... A chap with a cheeky smile makes me want him right away."

3 Is it better to give or receive?
"I believe it's better to give. It's so much better to be in control, after all, I'm the person who knows myself best, and knows what pleasures me. And I can assure you that I know what pleasures someone else, too!"

4 What do you watch to get you in the mood?
"The first time I ever watched this film *Bound* was such a turn-on in the bedroom. It's about these two lesbians and, although I'm straight, it never fails to get me going. Guys, if you want to get a girl feeling horny, stick this film on!"

5 What's your favourite sexy outfit?
"You can't beat a good sexy outfit from Ann Summers. My favourite one is a black lacy number which has the right slips in all the right places. Put a good pair of stockings on with it, and some huge heels, and it's even sexier."

6 Have you ever made a rude video?
"Of course! It's good to make a sex tape and watch it back – it's such a turn-on and it's also really good to know what you look like in the bedroom – that way you can pick up some useful tips from yourself."

7 What's your favourite position?
"That has to be doggy style – I think it's the best for any girl. I just love sticking my bum up in the air and having an incredible workout!"

8 What's the rudest thing you've ever done?
"Well, I once climbed up on the bar in a club and started to strip – then I gave some unsuspecting lad a sexy dance! It was pretty embarrassing the day after, but I was a bit drunk at the time. It's the rudest thing I've done in public, anyway. For the bedroom, that's another story!"

PHOTOS: PAUL MUSSO

9 Ever got it on with another girl?
"Yes, of course! I'm always snogging my best friends on a night out and teasing the boys. There's nothing wrong with a good tease now and again."

10 What one thing would you really like to try but haven't yet?
"It has to be having sex on a plane. You see it in movies all the time and I must say it does look rather exciting!"

CONFESSION OF THE WEEK!

'She didn't suspect a thing'

I WAS "catching up" with my man after two weeks apart, when we were rudely interrupted by my sister phoning. So I took the call in the kitchen and was leaning across the breakfast bar, listening to her going on, when I suddenly felt sensual caresses all over me. Then my man's fingers moved my thong to one side and began to stroke my private parts. I lifted my leg on to the worktop and he replaced his fingers with something much bigger! I tried to act normal while my sister yakked away and I don't think she suspected anything!

Donna Buckhurst Hill

'I made it up in style'

I'D BEEN dating this new guy for a month and one weekend he took me away to a nice hotel. I was nervous as it was our first time away, so I had a few drinks in the bar to calm me down. By dinnertime, my head was spinning. We had wine with dinner and by the time we reached our room, my legs were giving way. He had to put me to bed and we had a boring early night! In the morning, I apologised a million times – and made up for it by giving him a morning to remember with an incredible blow job. We ended up extending our check out time until 2pm so we could make up for lost time properly.

Jessie Manchester

'My holiday turned wild'

I WENT on holiday last month with my parents, and at the hotel, I saw a really hunky man working behind the bar. Late one night, I'd had a few drinks and had the courage to go over to him. We were on a small path down to the pool, it was dark and nobody was about. He gave me a cheeky smile and after a bit of flirting, we were soon kissing against the wall. He took off my bikini top and pressed my boobs together, smiling at my huge cleavage. I felt really horny so put my hand down my bikini bottoms and started to play with myself. The look on his face was priceless! I gave him a sexy wink and told him my room number, and an hour later, he was in my room having wild sex with me. It was so kinky and amazing, I wouldn't think twice about doing it again.

Mandy Rochdale

'We popped out of party'

I WAS at my sister's house party when an old friend of hers from Uni turned up. He looked fitter than I recalled, and we stared at each other for ages. When the beer ran out, he offered to run down to the shops for more supplies, so I jumped at the chance to show him the way. In his car, he leaned in and kissed my neck, sending shivers all through me. I peeled open his shirt while his hands roamed over my body, then I traced my fingers down to his lap where I found his erection waiting for me. I bent forward and took it in my mouth. He soon exploded and we quickly adjusted our clothes. A friend popped out of the house and wondered why we hadn't left yet – we just looked at each other and burst out laughing!

CHAMPIONS LEAGUE SPECIAL 1!

Man City vs Barca: head to head!

Footy genius Jonathan Pearce runs the rule over the two teams!

IT'S THE tie that's got the football world salivating: Catalan giants Barcelona – Messi 'n' Neymar 'n' all – taking on Manchester City's megabucks men, who are breaking goalscoring records for fun. Who can predict how this epic clash will end up over two legs? We certainly can't, but thankfully we have the expertise of Radio 5Live commentator and all-round football oracle Jonathan Pearce to call upon...

● Manchester City vs Barcelona, Tuesday 18 February, ITV/HD, 7.45pm.

PUNDIT PEARCE!

Jonathan started his broadcasting career at BBC Radio Bristol after a broken leg kiboshed his on-field ambitions.

Manuel Pellegrini's team may be heading for a record number of goals by an top-flight English team, but he hates conceding even a single goal at the other end. Yet he persists with Demichelis when it's clear his majestic Bayern Munich days are long gone. His Champions League track record is crucial, however, having taken Villarreal to the semis and rank outsiders Malaga to the quarter-finals.
RATING: 9/10

Gerardo Martino became the club's first coach to go unbeaten in his first 20 games since becoming gaffer in the summer, after taking Newell's Old Boys to the Copa Libertadores semi-finals. In this battle between two South American tacticians, he likes his team to press high and attack with pace. He beat Real Madrid in the first Clasico of the season, but he's unproven in Europe.
RATING: 8/10

Joe Hart has rediscovered his form after being dropped following his impetuous mistakes earlier this season. He is commanding his defence, making sound decisions and coming up with brilliant saves again. His stop from Loïc Rémy was simply breathtaking in his magnificent performance at Newcastle last month. England fans need not worry about him – he's back to his best.
RATING: 9/10

GOALKEEPERS

Victor Valdés rarely grabs the headlines at the Nou Camp but he's been as steady as ever, moving beyond the 500-game mark for the Catalans and was recently voted the fifth best keeper on the planet. He was significantly missing with a calf strain when they lost 2-1 at Ajax in November. Not very strong in the air. Will be uncomfortable during City corners.
RATING: 8/10

DEFENDERS

They are over-reliant on Vincent Kompany, and Martin Demichelis vs Lionel Messi is an accident waiting to happen. The central defenders will need to be protected from the "tiki-taka" quick passing around the box, so the defensive-midfield area will be crucial, as the back four concedes too many goals. Norwich's Nathan Redmond exposed a lack of pace in the full-backs. Pedro will relish that.

RATING: 8/10

Alves, Pique, Mascherano and Alba are still their best back four. Their three defeats this season have come when they haven't fielded that quartet. Bayern Munich shredded them in last season's semi-final when Mascherano was missing. City will study that and Valencia's recent win, when Barca were exposed in the air. Álvaro Negredo and Edin Džeko will be licking their lips.

RATING: 7/10

MIDFIELDERS

They have sumptuous flair to match Barcelona when they're at their best. But they've missed Nasri's guile and Jesus Navas is beginning to look like he's played a lot of football this season – more than any other City outfield player. The fitness of Fernandinho is vital. He can anchor the midfield and let Touré bomb forward. Yaya's refined finishing power this season will swing it City's way.

RATING: 9/10

Xavi and Iniesta are hitting form. Pedro has lightning pace. Fabregas will create and score. Busquets will sit behind the rest to protect the defence. They have bewitching skill and variety. They could pass City to death if they get the chance. But do they have anyone who can track and physically deal with Yaya Touré? I don't think Busquets will handle him. That's the key to the tie.

RATING: 9/10

STRIKERS

They'll be the first top-flight team since Liverpool more than 30 years ago to have three players with 20-plus in all competitions when Edin Džeko reaches that tally. Álvaro Negredo has already passed that mark and Sergio Agüero should hit 30 – City have to have him fit for the tie. Negredo and Džeko could destroy Barcelona in the air. Agüero can run them ragged if he's fit.

RATING: 10/10

For me, Lionel Messi is still the best player in the world. Critics say his two-month injury break has blunted the Argentine. He scored eight goals in his first ten games back – if that's blunt imagine him sharp! Neymar has had recent injury concerns, too, but can win a game in the blink of an eye. Chile's Alexis Sánchez has also weighed in with 14 goals of his own. They can be frightening.

RATING: 10/10

ONES TO WATCH

Yaya Touré is persistently City's man when it comes to the big, big games. Agüero's fitness race to get fit in time for the match will definitely hog the headlines. He's one of the four best players in the world, so the Argentine will be crucial. So will Džeko and Negredo in the air. But I have a sneaky feeling that Touré could well prove decisive and will burst through to get the decisive goal.

It has to be Lionel Messi – you simply can't look beyond the best player in the world. A hat-trick destroyed Ajax at home and three strikes against Milan earned four crucial points against the Italian side. City must shackle him at home to have any hope of coming away with a result. When he's scored at the Nou Camp, they've subsequently only lost one of those 107 games.

PEARCE'S FINAL VERDICT! Pellegrini's extra Champions League experience will count, as will City's danger in the air against a suspect Barcelona defence. But I fully expect the Catalans to score at the Etihad, without a doubt. They might even get two. But City can match that if they're on form and catch them with set pieces at the Nou Camp. Look to Yaya to produce the winner. A draw and then a City win will pay out at 11/2 in some places. I'm on board!

CHAMPIONS LEAGUE SPECIAL 2!

Arteta: 'Arsene needs a new coat!'

The midfielder on dance moves, Arsenal's house band and a little bit of football, too!

"Ooh, my testies are well chilly!"

WHAT WITH a "tricky" Champions League tie against Bayern Munich imminent and games against some of the other title contenders coming up, it's an exciting time to be at Arsenal. *Nuts* caught up with vice-captain Mikel Arteta at the launch of the PUMA evoPOWER 1 boot and tried to take his mind off it all...

Hi Mikel! Can Arsenal finally win Europe's biggest prize?
Yes, but we've got to beat Bayern first! We can't go out there and concede three goals like we did last time, we've got to be far more resilient. But with the season we're having we've got the confidence we can do it.

You've had a tough run of games and have another one in a few weeks' time...
If you look at it like a run of games, then mentally that is going to make it really tough for you. So you've got to chop it up, take it game by game and that makes it easier to deal with.

Do you think you can maintain your title charge?
Well, it's something we want to do, we want it to go right to the end and as time goes on we'll get players back from injury. We've got a fair few out at the moment, so when they're back, we'll become stronger.

Are the players upset you couldn't add more attacking options in January?
I'm pretty sure everyone thinks we're short in that area, but we have to find the right player, we can't just go out and buy anyone. Most importantly, it has to be someone who Arsene Wenger believes is the right player for the role.

Is it true you and Xabi Alonso used to play football on the beach as kids?
Yeah, it's true. I spoke to Xabi yesterday actually! He's doing really well over in Madrid.

Are you surprised David Moyes is struggling at Man United?
Yes and no. It's still a new challenge for him. It's a huge job for him to take over from Sir Alex, but he's a very straight and honest person, the players will end up loving him in the end. He just needs time so they can get to know how he wants things done.

Last time you spoke to *Nuts* you said Santi Cazorla had the most tricks. Is that still the case now Özil is in town?
Well, Mesut is pretty skilful but Santi is something special. Some of the things he can do are incredible. He's still the undisputed best at the club!

Is Per Mertesacker really as funny as he says he is?
He's really funny! On a night out he's great and his dance moves are hilarious – we've got a few dancers at Arsenal actually. Bacary Sagna has the best moves by miles, I'd put myself in there as third best.

Is there anything about your team-mates we don't know?
Olivier Giroud oozes self-confidence, he really loves himself. He's also the longest in the showers! Wojciech Szczesny is the same and he also plays the piano, too. And Tomas Rosicky is like a rock star as well with the guitar!

So you could have an Arsenal team band?
We could do, although we'd have to get Emmanuel Frimpong back to sing. We miss him at Arsenal. He's a great character, with a great voice, and I hope he does well.

What's on your car stereo right now?
I've got a private playlist on Spotify but what's on it is a secret! Just joking, I've got lots of different stuff on it, Spanish music, and I also like Emeli Sandé and other stuff I can relax to.

Thanks for the chat, Mikel, Finally then, is it only Arsene Wenger who's allowed those long coats?
The big zippy one? He's got a real problem with that zip – he really could do with getting a new coat, to be honest. I could actually use one now as well, it's really cold in here!

- Arsenal vs Bayern Munich is live on Sky Sports 1/HD, Wednesday 19 Feb at 7pm.

Curtis Woodhouse: 'I'm always in great shape!'

The boxer on which footballer needs a slap!

Hi Curtis! You're fighting Darren Hamilton for the British title. Tell us about him.
He's been the champion for a couple of years now and he's beaten pretty much every other light welterweight out there so it seems like I'm the last man standing. I can't wait to get in there.

And then retire!
Yeah, this is the last one for me. My ambition when I came in to the game was to become British champion. So to fight for the title in Hull near my home town, top of the bill, live on Sky Sports, seems the perfect way to bow out.

What's the appeal of boxing to a retired footballer?
You're stood a metre away from someone who's trying to take your head off, and that's a buzz. Forget all the bullsh*t, no matter where you're from or how much money you've got in the bank, when that bell goes, you bleed like the next man.

How do you get prepared and pumped up for a fight?
I don't need to be pumped up. I've never gone in to a fight not in great shape. The only thing I've got to do for this fight is keep all my emotions in check. Seven years of my career comes down to this one night. I'm willing to risk life and limb and put my life on the line.

Good luck in the bout, Curtis. Finally, if there was one person in football you could punch, who would it be?
Only one? Hmm... who gets on my t*ts? Ashley Young needs a clip. Throwing himself to the floor every two minutes. I wouldn't mind giving him a slap!

- Watch Curtis Woodhouse take on Darren Hamilton for the British Lonsdale Belt on 22 Feb, live on Sky Sports 2/HD at 8pm.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Arsenal fans may agree with Jose!

The wind-up merchant's at it again!

GOOD OLD José Mourinho! Mind-games season has started and José's the master now Sir Alex Ferguson has retired. Fergie was the best in the game when it came to winding other managers up, as Kevin Keegan, Rafa Benitez and Roberto Mancini can certainly attest.

José's rather scathing comments about Arsene Wenger's lack of silverware are a clear attempt to gain some kind of psychological advantage over Arsenal. He has already provoked Manuel Pellegrini into retorting and I'm sure that Arsene will, too.

Wenger might want to choose his words carefully though, as there may well be some Arsenal fans who agree with José that it's time for a trophy!

"And then I knead the dough like this – that's how I will win *Bake Off*"

Roy should have asked JT!

I WAS hoping Roy Hodgson might have taken John Terry to one side and said, "Look, would you reconsider coming out of international retirement for the World Cup?" but once you retire, you stay retired, seems to be Hodgson's opinion.

It's a shame, because I think we have a chance in this World Cup. Seriously! Now, we have to hope Gary Cahill and Phil Jagielka play out of their skin, and Phil Jones and Chris Smalling pick up their form over the rest of the season.

"Aw! I've got my shirt all dirty!"

Liverpool struggle at the back!

ANOTHER BOSS talking his team's title chances down is Brendan Rodgers. I watched Liverpool against Fulham. In attack and midfield they're as good as anybody, but they lack solidity in defence.

The lad Flanagan will be a good right-back but he's still learning. Kolo Toure looks unsure of himself, and so does Martin Skrtel. Only left-back Aly Cissokho looked solid.

But they've made Anfield a fortress, and with Man City and Chelsea to visit, you can think of them as dark horses to run alongside José's little ones!

"This time you're going down, wasp!"
